USB CONNECTION KIT

This Micro USB to USB connection pocket-size device turns your Galaxy Tab into a USB host, allowing you to connect compatible USB accessory devices such as keyboards, mice, thumb drives and more to your Tab.

The adapter enhances the capabilities of your Tab, providing a solution for user-friendly removable data storage or the sharing of your favorite multimedia files with your Tab. Insert a USB memory stick or USB cable from compatible devices to the USB port on the adapter and then insert the adapter into your Tab.
