

It's time to approach business from a new angle

The Notebook 7 spin delivers the performance of a laptop with the flexibility of a tablet

Samsung bends over backwards to create business machines that inspire and empower professionals to work ever smarter and more efficiently. In the case of the Samsung Notebook 7 spin, we've done that literally. Beautifully designed and engineered with a 360° hinge, it allows you to make presentations and collaboration from every angle. Use it as a laptop, a tablet, a tent or a stand. However you want to work, the Notebook 7 spin works with you. All this versatility is powered by Intel® 6th Generation Core™ i5 and i7 processors, to speed users through the most data-intensive tasks quickly. It's an innovative solution that inspires innovative new ways to work. It's the Samsung Notebook 7 spin.

Key features

Innovative functionality designed for business

- Versatile 2-in-1 convertible gives you a 360° hinge rotation for easy collaboration and presentations, plus a touchscreen that auto-rotates to portrait or landscape orientation, for tablet productivity either vertically or horizontally
- Hybrid 128GB SSD + 1TB HD drive (15.6") gives you the ultimate combination of fast access to data and large storage
- Fast charging gives you 2 hours of use in just 20 minutes, and a full charge in less than 100 minutes

Mobile productivity

- Comes loaded with Windows 10 Pro for the latest in productivity
- Long-lasting battery of up to 9 hours (MobileMark 14)¹ means users can work longer without stopping to recharge
- Powerful Intel® Core™ i5 processor (13.3") and i7 processor (15.6") ensure knowledge workers and power users have the power they need to do business better than ever
- TPM (Trusted Platform Module) enhances security software by requiring hardware authentication, which helps ensure secure access to sensitive data, either on-site or in the field

Business-class service and support

- Samsung Protection Plus Extended Service for Businesses offers a highly flexible suite of extended service options that go above and beyond the factory warranty, including On-Site and Accidental Damage, with technical support from Samsung authorized experts
- A 1-year warranty covers parts and labor, while a dedicated business customer toll-free support line (866-SAM4BIZ) offers peace of mind
- The Samsung Buy Back program makes upgrading to the Notebook 7 spin simple, with an easy quote and mail-in process
