**Unlock Freedom**

Carrier or no carrier. It's your choice. With Unlocked by Samsung smartphones, you have the freedom to choose what works best for your employees.<sup>1</sup> You can also standardize on one device across multiple carriers, greatly simplifying IT. And no-contract Unlocked by Samsung smartphones can be customized for a company's Wi-Fi only environment where no carrier is necessary, combining the functionality of a tablet with the portability of a hand-held device. They're ideal for hospitals, warehouses, factories and retail locations.

**Unlock the Mobile Device Experience**

Unlocked by Samsung smartphones don't come pre-loaded with any carrier apps, so you have a consistent UI, and you can customize device software exactly the way you need it. Unlocked by Samsung smartphones are optimized for U.S. carrier networks,<sup>2</sup> with access to exclusive Samsung services like Knox and Samsung+ personal support.<sup>3</sup> And every Unlocked by Samsung smartphone is backed by Samsung's standard limited warranty.

**Unlock Value**

When everyone has the same UI, you have lower training, support and connectivity costs. You have the right contract with the carrier of your choice, or even have no carrier at all. Software updates are easily managed, and you can configure devices in bulk. And your unlocked devices are CapEx assets. With Unlocked by Samsung smartphones, you save from start to finish.

**Unlock Defense-Grade Security**

The Samsung Knox security platform<sup>4</sup> is embedded within the hardware to ensure security from the chip up, right out of the box. Trusted by 29 governments and voted "most strong" by Gartner<sup>5</sup>, Knox features separate work and personal container solutions that guarantee user privacy while encrypting sensitive corporate data, so you can keep what's yours, yours.<sup>6</sup> Monthly updates keep your Unlocked by Samsung smartphones up to date with the latest security patches.
