

Bespoke Jet Cordless Stick Vacuum VS20A95000E

SAMSUNG

Signature Features

Clean Station®

- At the press of a button, Clean Station® empties the Jet Stick dustbin, trapping 99.99%¹ of dust and debris for a beyond-the-floor clean.

Advanced Cleaning Performance

- Samsung's HexaJet Motor™ technology provides strong suction with up to 210AW of power for superior cleaning on carpets and hard floors, while still being lightweight for maximum maneuverability.

Wet & Dry Cleaning

- Dual spinning pads thoroughly dust or wet mop hard floors. Use your favorite cleaner and spray as you mop.

Jet Dual Brush

- No more switching brush-rolls mid-clean. The Jet Dual Brush is optimized to clean a variety of floor surfaces from carpet to hard floors to tile.

Bespoke Jet Cordless Stick Vacuum VS20A95000E

SAMSUNG

Features

Clean Station® – At the press of a button, Clean Station® empties the Jet Stick dustbin, trapping 99.99%¹ of dust and debris for a beyond-the-floor clean.

Advanced Cleaning Performance – Samsung's HexaJet Motor™ technology provides strong suction with up to 210AW of power for superior cleaning on carpets and hard floors, while still being lightweight for maximum maneuverability.

Wet & Dry Cleaning – Dual spinning pads thoroughly dust or wet mop hard floors. Use your favorite cleaner and spray as you mop.

Jet Dual Brush – No more switching brush-rolls mid-clean. The Jet Dual Brush is optimized to clean a variety of floor surfaces from carpet to hard floors to tile.

Contemporary and Premium Design – Innovative features and our most premium finish and color for a vacuum so stunning, you'll want to show it off.

5-Layer Filtration – The Bespoke Jet includes multistage filtration that separates and filters up to 99.999%² of microdust particles,³ so you can breathe cleaner air in your home.

Digital Display – Quickly and easily check information about your vacuum, such as power level, remaining battery time, and various alerts, with an easy-to-view digital display.

Lightweight Design – The lightweight design lets you easily maneuver the vacuum to clean on stairs, under sofas and in other hard-to-reach places.

Removable and Long-Lasting Battery – Clean without interruption with up to 60 minutes⁴ of run time.

Crevice Tool – Reaches tight corners, crevices and other difficult-to-access areas in your home such as under the bed.

Combination Tool – This combination dusting and cleaning tool is great for gently cleaning furniture or the interior of your car. The soft dusting bristles also pick up dust off hard and soft surfaces.

Washable Dustbin – Dustbin can be easily washed to maintain optimal condition and performance.

Telescopic Pipe – The pipe adjusts to three different lengths, helping you reach certain spots or providing a more comfortable height.
