Galaxy Tab A11+ 5G

Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details.

Introducing Galaxy Tab A11+ 5G

Galaxy Tab A11+ 5G moves with your workday –from your early morning status call to your late international meeting, and every moment between. Its bright 11" screen¹ brings video calls and editing presentations to life, while upgraded performance² keeps multitasking smooth across all your apps. A long-lasting battery helps you stay powered through long days in the field or delays in travel to a work site. And with plenty of memory plus expandable storage³, there's room to store large work files will on the go. All this power and convenience comes at an incredible value, making it an easy choice for every day work tasks.

Modern, sleek and refined

Get your work done on the go with a slim, light design made to move with your day.

Get work done on a big screen

A bright, engaging 11" screen¹ with a 90Hz refresh rate delivers natural, fluid motion, making it easy to see things clearly as you get work done.

Power for all you do

Get the optimal performance from your workday activities. Take video calls, edit presentations and more –all powered by an upgraded chipset.²

Turn your tablet into a PC

Change your tablet layout to feel like a PC with Samsung DeX Standalone Edition. Multitask with multiple windows and folders, work from a taskbar, easily drag and drop files and more.

An easier way to get work done

Galaxy Tab A11+ offers intelligent features that make everyday work tasks easier. Get on-the-spot assistance with Google Gemini,⁴ and search anything on your screen with Circle to Search.⁵

Memory and storage that keep up

With up to 8GB of memory and 256GB⁶ of storage,³ Galaxy Tab A11+ 5G gives you the space and speed to multitask seamlessly and handle large files.
