• Sound On/Off

Available Color
Stainless Steel

Signature Features
SMART MULTI SENSOR
• Smart Multi Sensor automatically senses the temperature of foods at the rate of 3 times per sec and controls its heating level and time to make the foods the desired condition without overcooking.

CERAMIC ENAMEL INTERIOR
• Scratch-resistant and easy-to-clean interior.
• Effortlessly remove grease or oil from surfaces and protect against scratches.

LED DISPLAY
• Striking blue LED display adds clarity and style to your kitchen.

SIMPLE CLEAN FILTER
• Convenient, easy-to-access location is simple to eject with one touch and helps you remember when to clean the filter.
Installing your Microwave

- This microwave oven is designed for adaptation to the following three types of ventilation:
  A. Outside Top Exhaust (Vertical Duct)
  B. Recirculating (Non-Vented Ductless)
  C. Outside Back Exhaust (Horizontal Duct)
- The space between the cabinets must be 30" wide and free of obstructions.
- This microwave oven is for installation over ranges up to 36" wide.
- The microwave must be level. Use a level to make sure the cabinet bottom is level. If the cabinets have a front overhang only, with no back or side frame, install the mounting plate down the same distance as the front overhang depth. This will keep the microwave level.

Specifications
- Oven Cavity: 2.1 cu. ft.
- Power Output: 1000 W
- Power Consumption: 17000 W/14.5 A
- Power Source: 120 V/60 Hz
- Control Method: Stainless Steel Digital (Membrane Touch)
- Display: LED
- Cooking Control: 10 Power Levels Including Defrost
- Cooking Timer: Digital, up to 99 Minutes, 99 Seconds

FOR EASIER INSTALLATION AND PERSONAL SAFETY, WE RECOMMEND THAT TWO PEOPLE INSTALL THIS MICROWAVE OVEN. IMPORTANT: Do not grip or use handle during installation.

NOTE: If your cabinet is metal, use the nylon grommet around the power cord hole to prevent cutting of the cord.

NOTE: We recommend using filler blocks if the cabinet front hangs below the cabinet bottom shelf.

IMPORTANT: If filler blocks are not used, case damage may occur from overtightening screws.

NOTE: When mounting the microwave oven, thread power cord through hole in bottom of top cabinet. Do not pinch cord or lift oven by pulling cord.
