RF29A9675

29 cu. ft. Smart BESPOKE 4-Door Flex™ Refrigerator with Customizable Panel Colors

Signature Features

Customizable Door Colors
Customize the design of your refrigerator with changeable color door panels. Choose from 8 colors and 2 finishes to create a space that fits your style – the options are endless.

Beverage Center
Quick access to refreshingly cool, filtered water two ways. Choose from an internal dispenser or a built-in pitcher that automatically refills, with the option to infuse with a flavor.

Dual Ice Maker with Ice Bites
Enjoy your favorite beverage with your choice of ice. Select from cubed ice or Ice Bites that chill your drink faster. Makes up to 6 lbs per day, stores up to 9 lbs total.

29 cu. ft. Smart BESPOKE 4-Door Flex™ Refrigerator with Customizable Panel Colors

Installation Specifications

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).

2. Refer to illustration below to determine dimensions.

3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.

4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.

5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and ability to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product or download manual online at samsung.com.

Total Capacity: 29 cu. ft.

Refrigerator: 17.4 cu. ft.
• 4 Tempered Glass Spill-Proof Shelves
