Jet Dual Brush – No more switching brush-rolls mid-clean. The Jet Dual Brush is optimized to clean a variety of floor surfaces from carpet to hard floors to tile.

Contemporary and Premium Design – Innovative features and our most premium finish and color for a vacuum so stunning, you'll want to show it off.

5-Layer Filtration – The Bespoke Jet includes multistage filtration that separates and filters up to 99.999%² of microdust particles,³ so you can breathe cleaner air in your home.

Washable Filters & Dustbin – Can be easily washed to maintain optimal filtration and performance.

Digital Display – Quickly and easily check information about your vacuum, such as power level, remaining battery time, and various alerts, with an easy-to-view digital display.

Lightweight Design – The lightweight design lets you easily maneuver the vacuum to clean on stairs, under sofas and in other hard-to-reach places.

Removable and Long-Lasting Battery – Clean without interruption with up to 60 minutes⁴ of run time.

Crevice Tool – Reaches tight corners, crevices and other difficult-to-access areas in your home such as under the bed.

Combination Tool – This combination dusting and cleaning tool is great for gently cleaning furniture or the interior of your car. The soft dusting bristles also pick up dust off hard and soft surfaces.

Telescopic Pipe – The pipe adjusts to three different lengths, helping you reach certain spots or providing a more comfortable height.
