The Cube Air Purifier

Signature Features

Wind-Free™ Air Purification

- The Cube's purification system is quieter than a whisper and releases clean air without annoying noise or a cold draft.

True HEPA Filtration System

- The Cube's 3-stage True HEPA Filtration System effectively removes 99.97%* of ultrafine dust while helping to reduce allergens, bad odors and bacteria.*

*The filter media has over 99.97% dust collection efficiency, based on a particle size of 0.26 μm , as specified by 42 CFR part 84. Tested in the National Test Institute of Korea.

Air Quality Sensor

- Best-in-class laser monitors air particles in size, and the easy view display provides instant air quality feedback.
