KEY FEATURES (page 1 of 2)

Q | Picture™

A TV for real-world conditions, even daytime TV looks brilliant in sun-drenched rooms. Over 1 billion color shades appear vibrant and real, thanks to our proprietary Quantum Dots reserved for our flagship QLED TVs.

Q | Color™

Push the boundaries of color with Quantum Dots and a billion+ shades, reserved for our flagship QLED TVs.⁴

Q | Contrast Elite™

Smartly controlled Full Array LEDs and an antireflective screen reveal detail and depth from ultra black to pure white.

Q | HDR Elite™

Step up to Elite class HDR with the power to reveal stunning details and in-depth vibrant colors.

100% Color Volume

The secret behind color is that it may fade in bright scenes; QLED 100% Color Volume seemingly rejuvenates color in challenging content for a brilliant visual experience.

Full Array Backlight

Zones of smartly controlled backlighting adjust automatically to deliver deep black and pure white.

Ultra Black Elite™

An antireflective screen reduces glare and significantly deepens blacks.

Auto Game Mode

Get a leg up on the competition—your console automatically optimizes TV settings for an enhanced gaming experience with minimal input lag and ultrafast refresh rates.

Q | Engine™

Heighten breathtaking color and detail with a powerful processor that optimizes your content for 4K clarity, color and HDR.

Motion Rate 240

Enjoy our absolute best moving picture resolution with remarkable refresh rate, processing speed and backlight technology.

HDR Formats Supported

HDR10 (Static MetaData), HDR10+ (Dynamic MetaData), HLG (Hybrid Log Gamma). All Samsung 4K UHD TVs also meet the CTA HDR-Compatible Definition.

Q | Style™

A thoughtful design with a Clean Cable Solution® allows you to focus on a TV without the clutter.

Clean Cable Solution®

Neatly manages cords for a crisp, clean look.

Ultrawide Viewing Angle

Even from wide viewing angles, everyone can enjoy the view from all around the room.

Ambient Mode™

Part TV, part chameleon. Ambient Mode on your QLED mimics your wall pattern for an astonishing visual effect when you're not watching TV.⁵

Boundless 360° Design™

The stunning, clean back and virtually bezel-free design keeps your focus on the incredible picture.

Q Smart™ with Bixby Voice

A revolutionary way to help find streaming and live TV shows with a universal guide, OneRemote and voice assistance.

Universal Browse

A revolutionary new way to help find streaming and live TV shows with a universal guide.

Connect & Share

Sync your TV to your compatible smartphone to access and control your content on the big screen.

Samsung OneRemote

OneRemote automatically detects and controls all your connected devices⁶ and content.¹

⁴Samsung QLED is Quantum Dot-based TV.

⁵Background feature accuracy may vary based on TV location, dependent on wall designs, patterns and/or colors. SmartThings app on a mobile device (Android, iOS) is required for some functionality. App features may be limited at launch; please continue to check for updates.

⁶Compatible devices only.

KEY FEATURES (page 2 of 2)

Connections

HDMI

Enjoy higher-quality audio and video with an HDMI connection that transmits both signals over a single cable. Compatible with next-generation Ultra HD Blu-ray™ players and HDR content decoding. Includes 1 Audio Return Channel (ARC).

Wi-Fi

Enjoy your favorite on-demand content seamlessly through your existing network with built-in Wi-Fi (802.11AC).

Audio

Dolby® Digital Plus

Enjoy the ultimate digital sound quality on all your favorite movies, TV shows and streaming content. Dolby Digital Plus optimizes your entertainment experience with enhanced sound richness and clarity.

Included Accessories

Samsung OneRemote (TM-1850A)

Industry Certifications

UHDA Ultra HD Premium

The UHD Alliance's Ultra HD Premium™ logo identifies specifications in a range of features that meet or exceed strict performance levels for resolution (4K—4 times sharper than HD), high dynamic range (HDR—brilliant brights, deepest darks) and wide color spectrum (more lifelike colors), along with recommendations for immersive audio (multidimensional sound) among others. These performance advances enable certified televisions, Blu-ray Disc® players, content and other devices to fully replicate the richness of life's sights and sounds, enabling viewers to more accurately experience the content creator's vision. Visit <https://experienceuhd.com/> for more information.

4K Ultra HD Connected

All Samsung 2018 4K UHD and QLED televisions comply with the CTA 4K Ultra High-Definition Connected definition requirements. The trade organization known as the Consumer Technology Association (CTA™) is considered an industry authority on engineering standards for consumer electronics in the United States. Visit www.cta.tech for more information.
