

SAMSUNG
ATIV Book 9 Spin

DESIGNED FOR VERSATILITY.

With its revolutionary 360° rotating display for multiple computing modes, slim and modern design for ultimate portability, and aluminum body for superior durability and style, the new Samsung ATIV Book 9 Spin is the smart choice for those who demand versatility.

KEY FEATURES

360° Rotating Hinge

Quickly and easily convert the ATIV Book 9 Spin from powerful laptop to portable tablet for ease of use on the go or tent mode for collaborating with others. All thanks to its 360° rotating dual-hinge display.

Ultra-Detailed QHD+ Touch Screen

The stunning QHD+ high resolution touch screen allows you to view and display ultra-detailed graphics with an enhanced color gamut, while its anti-glare coating performs both indoors and out.

Thin, Mobile Design

At 0.58 inches thin and just 2.97 pounds, you can take the ATIV Book 9 Spin with you wherever your lifestyle demands — on the road, in the air, and virtually anywhere you go.

Designed With Style In Mind

A full aluminum body, slender design and die-cut edges deliver the premium style you demand and deserve out of a premium notebook.

Tested For Reliability

Each Samsung ATIV notebook goes through a series of rigorous reliability tests — including drop, tension and shock tests — to ensure they always perform at the highest level.

Seamless File Sharing

Samsung Link 2.0 allows you to share files between your ATIV Book 9 Pro, Galaxy smartphone and Smart TV with ease. Or mirror your smartphone on your ATIV Book 9 Pro wirelessly with Samsung SideSync.
