KEY FEATURES

3D SURROUND SOUND

Match the incomparable picture quality of your QLED TV, with the cinematic experience of a Samsung Q-Series soundbar. With Dolby Audio and DTS Virtual:X, sounds are rich and robust, creating a 3D surround sound experience. Feel like you're part of the scene with sharp, realistic sound, so you hear it exactly as it is meant to be heard.

SAMSUNG ACOUSTIC BEAM

Delivers a panoramic audio experience with directional sound that makes it feel like you are part of the scene.

BLUETOOTH® MULTI-CONNECTION

You and a friend can both stream your playlists directly to your soundbar, conveniently switching between the two phones without disconnecting.

ADAPTIVE SOUND

The soundbar automatically delivers optimized sound based on each scene and lets you hear voices clearly at low volumes.

Q-SYMPHONY

Innovative Samsung technology allows your Samsung TV and soundbar sound to synchronize together for a more immersive cinematic experience.¹

GAME PRO MODE

Claim more glorious victories with rich directional sound that transports you to the center of the action. Your soundbar detects when you're gaming and automatically optimizes the sound in real time.²

CENTER CHANNEL SPEAKER

Never miss a word with a center speaker dedicated to delivering crystal-clear dialogue.

BLUETOOTH® TV CONNECTION

Connect to your TV without the hassle of cables via Bluetooth®.³

SAMSUNG ONEREMOTE

Control both your Samsung TV and soundbar with the Samsung OneRemote.³

HDMI eARC

Experience high-quality audio formats like Dolby Atmos and DTS:X via compatible TVs.

¹Samsung Symphony is compatible with 2020 Samsung QLED.
