

PRODUCT HIGHLIGHTS

- Object-based formats like Dolby ATMOS and DTS:X technologies provide elevated 3D true surround sound in every direction.
- True 9.1.4ch sound
- The soundbar and TV sound sync together, creating a more immersive experience.
- Use Alexa to play your favorite music.
- Adaptive sound analyzes your content and delivers optimized sound.

Our top-of-the-line Q Series soundbar engulfs the room in true 3D surround sound. The Q950T with front and up-firing rear speakers delivers immersive audio, projecting depth with sound from above and around.

KEY FEATURES

3D TRUE SURROUND SOUND

Feel part of the scene with Dolby Atmos and DTS:X technologies, sounds move independently around you from all directions, even above, just like in real life.

9.1.4 CHANNELS

The soundbar has 9 channels, 1 subwoofer channel and 4 up-firing channels for enveloping sound. The wide speakers are placed at each corner of the soundbar to produce a wider range of sound, delivering an immersive surround sound experience.

UP-FIRING REAR SPEAKERS

Wirelessly connect to rear speakers for an enhanced cinematic experience.

Q-SYMPHONY

Innovative Samsung technology allows your Samsung TV and soundbar sound to synchronize together for a more immersive cinematic experience.¹

ALEXA BUILT-IN VOICE ASSISTANT

Enjoy your soundbar hands-free using the built-in voice Alexa. Easily control your soundbar and other compatible devices using voice commands. Ask Alexa to play a song by simply saying the title or a few lines of a song's lyrics.

ADAPTIVE SOUND

The soundbar automatically delivers optimized sound based on each scene and lets you hear voices clearly on low volumes.

KVADRAT DESIGN

Premium fabric design engineered by Kvadrat and suitable for any interior.

GAME PRO MODE

Claim more glorious victories with rich directional sound that transports you to the center of the action. Your soundbar detects when you're gaming and automatically optimizes the sound in real time.²

TAP SOUND

Play your music or podcasts from your mobile device to your soundbar with a simple tap.

HDMI eARC

Experience high-quality audio formats like Dolby Atmos and DTS:X via compatible TVs.

¹Q-Symphony is compatible with 2020 Samsung QLED. For a complete list of compatible models, please refer to Samsung.com for more information.

²This feature is supported only when the game console is connected to select Samsung TVs via HDMI (all QLED TVs, RU7400 series and above). Game consoles supported include PlayStation 4 and Xbox. Compatible TVs and game consoles may change. Visit Samsung.com for more information.
