KEY FEATURES

ALL-IN-ONE SOUNDBAR

All-in-one soundbar solution suitable for use anywhere in your home.

KVADRAT DESIGN

Premium fabric design engineered by Kvadrat and suitable for any interior.

BLUETOOTH® MULTI-CONNECTION

You and a friend can both stream your playlists directly to your soundbar, conveniently switching between the two phones without disconnecting.

BUILT-IN WOOFER

The built-in woofer enhances your soundbar with deep, rich bass sound.

MUSIC MODE

Music Mode recognizes and optimizes sound settings to match the music genre that is playing.

SMART SOUND

Your soundbar detects what you're watching and automatically optimizes the sound setting for the best experience.

SAMSUNG ONEREMOTE

Control both your Samsung TV and soundbar with the Samsung OneRemote.¹

SAMSUNG

¹Only available on select Samsung TVs. Visit [Samsung.com](https://www.samsung.com) for more information.
