## KEY FEATURES

---

### SIDE HORN SPEAKER WITH SAMSUNG ACOUSTIC BEAM

Experience a panoramic and room-filling sound with dual-sided horn speakers and Samsung Acoustic Beam Technology.

### KVADRAT DESIGN

Refined design engineered by Kvadrat suitable for any interior.

### ALEXA BUILT-IN VOICE ASSISTANT

Enjoy your soundbar hands-free using the built-in voice Alexa. Easily control your soundbar and other compatible devices using voice commands. Ask Alexa to play a song by simply saying the title or a few lines of a song's lyrics.

### MUSIC MODE

Music mode recognizes and optimizes what is playing so that you can enjoy music as the creators intended it.

### ADAPTIVE MODE

The soundbar automatically delivers optimized sound based on each scene and lets you hear voices clearly on low volumes.

### HDMI IN/OUT

1 HDMI in and 1 HDMI out.

### BUILT-IN WOOFER

The built-in woofer enhances your soundbar with deep, rich bass sound.

### ONE-PIECE SOUNDBAR

All-in-one soundbar solution suitable for use anywhere in your home.

### BLUETOOTH® TV CONNECTION

Connect to your TV without the hassle of cables via Bluetooth®<sup>1</sup>

### WI-FI TV CONNECTION

Connect to your TV wirelessly with Wi-Fi.<sup>1</sup>

### SAMSUNG ONEREMOTE

Control both your Samsung TV and soundbar with the Samsung OneRemote.<sup>1</sup>
