# SAMSUNG

## UHD Signage

QH98C / QM98C series

## Scale up your business with a super-sized screen

Elevate your business with the Samsung's premium 98-inch UHD signage. This expansive display wows viewers with stunningly realistic visuals and vibrant colors. Featuring a sleek and slim design, this expansive display combines elegance and functionality, enhancing any professional environment. The QH98C and QM98C boast an intuitive home screen UX and advanced internal solutions for seamless usability. Moreover, its spacious 98-inch screen provides a complete view without the distraction of bezels, ensuring a clean content experience.

## Key features

#### Supersized screen

A 98-inch screen allows you to enjoy a complete view without the distraction of bezels, providing a clean and uncluttered presentation — perfect for both conference rooms and retail environments.

#### Slim design

The QH98C and QM98C redefine space optimization with its sleek and slim design. Measuring only 48.1 mm / 1.9 in. in depth and weighing 56.3kg / 124 lbs., it is the thinnest 98-inch display in its class.

#### Quantum Processor Lite 4K

and quick screen switching with just a click.

Intelligent UHD upscaling technology, powered by Samsung's Quantum Processor 4K, elevates lower-resolution video to UHD-level quality, providing professional picture quality. \* Viewing experience may vary according to types of content and format.

SMARTVIEW+ enables wireless screen sharing for easy collaboration

## Samsung VXT

SMARTVIEW+

Samsung VXT is the cloud-based visual display solution, bringing a content management system and remote signage management together in one secure platform. \* Samsung VXT must be nurchased senarely

#### ENERGY STAR / EPEAT Bronze

The QH98C and QM98C series have earned an ENERGY STAR 8.0 certification from the Environmental Protection Agency for its energy efficiency and an Electronic Product Environmental Assessment Tool (EPEAT) certification in recognition of its eco-conscious efforts, such as its recycled plastic use.

## **Specifications**
