- Eye Care Display reduces harmful blue light

Creative productivity all day

Power of a PC Convenience of a tablet

- 2 in 1 design gives you the power a laptop and the flexibility of a tablet
- 360-degree hinge gives you two capabilities in one versatile device
- Touch screen is ideal for on-the-go workers and visual thinkers
- 16" Screen-in.: 3.66 Lbs. – lightweight yet large size to spread out and get work done
- Keep your creative output flowing even when working remotely with a full range of ports for every connection possibility

Pinpoint precision with a real pen feel

- Included S Pen lets you draw, sketch annotate and capture notes on the fly
- Convert notes to text in a flash with the Samsung Notes app
- Feels like a real pen, both in your hands and on the screen

Look and sound like a pro

- Look and sound your best during online meetings
- Upgraded Full HD camera with wide angle
- AI Auto Framing, and Background Effects and new Lighting Correction, Eye Contact Correction, enhance video calls
- Quad AKG speakers with Dolby Atmos sound and intelligent noise canceling for clearer video calls
- Studio-grade Mic with AI noise cancelling captures only your voice

All-day power to power through

- Go the distance with a super long lasting battery
- Up-to 18-hours video on a single charge
- Compact 65W USB-C universal fast charger included
- Get a 40% charge in just 30 minutes
- Universal charger works with all your Galaxy devices

Do more, and do it more securely

Unite your Galaxy

- Galaxy devices sync wirelessly with each other to help you do more
- Quick Share lets you easily transfer files from one device to another¹
- Access or transfer a file, photo or text on any device
- Start a video or voice call on one device, continue it on another²
- Extend your workspace by using your Samsung Galaxy Tab as a second screen³
- With Multi Control even control your Galaxy tab or phone with your Galaxy Book⁴

Security that's all about your business

- Fingertip scanner lets you unlock your laptop with the tap of a finger
- Private Share⁵ lets you set time limits on access to shared files and revoke file access any time
- Galaxy Book3 Pro 360 is a Windows 11 Pro Secured-core PC
- Helps protect data with advanced protection of firmware and dynamic root of trust measurement
