Galaxy Z Fold3 5G

 AT&T Business

Galaxy Z Fold3 5G

Work however, wherever

Unfold premier productivity

Unfold a new way of working

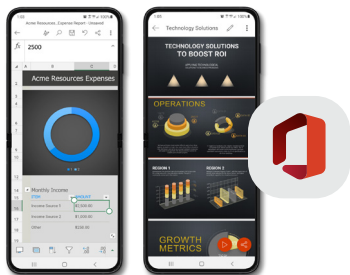

- Galaxy Z Fold3 5G unfolds to a seamless, expansive 7.6" edge-to-edge display.¹
- It's a phone and super-slim tablet that folds up to fit in your pocket.
- More room to get more done than on a phone alone.

Carry less, do more

- Closed, it's a phone. Unfolded, it's a tablet. Connected to a monitor, it powers a desktop experience.²
- Activate Samsung DeX and wirelessly connect to a compatible display, Bluetooth keyboard and mouse.³
- Control the apps on your phone while seeing them on a TV or monitor.
- Use Galaxy Z Fold3 5G as a second screen, to do things like texting colleagues and editing documents while on a conference call, all from the same device.

Your Office fits in your pocket

- Easily access all your files, photos and reminders with integrated Microsoft Office, OneDrive and Teams.⁴

The ultimate business flex

- Flex Mode allows you to fold Galaxy Z Fold3 5G to the perfect position, allowing you to do things like take notes during a video call or take photos hands-free.

More windows, less juggling

- Launch and work with three apps simultaneously using Multi-Active Window.⁵
- Reference multiple docs side by side and drag and drop text, pictures and graphs across all of Microsoft Office suite.⁶
- Simplify navigation, take notes and annotate documents with an optional S Pen.⁷

Unfold an efficient workday

Fast, like hyper-fast

- 5G and a hyper-fast processor give you the speed you need to make quick work of work.⁸
- Download in seconds, send an email in a flash and enjoy video chats with virtually zero lag.⁸

Less charging and more doing

- All-day battery makes sure business doesn't stop.⁹
- Always be ready to go with 25W Super Fast charging.¹⁰

Phone and PC, beautifully in sync

- Link to Windows syncs your Galaxy Z Fold3 5G with your PC, so you can control your phone from your PC.¹¹
- Work from your phone without even picking it up.
- Share files between your phone and PC with a simple drag and drop.

See and use all the screen

- Incredible, uninterrupted view with our first-ever Under Display camera.
- Front-facing camera lens is barely visible under the screen, for true edge-to-edge viewing.

A display that adjusts to your workday

- Ultra-vibrant, ultra-clear and ultra-smooth AMOLED display on interior screen.
- Work in any light with a high contrast ratio and an adaptive 120Hz refresh rate on both screens.
- Intuitive blue-light management automatically adjusts based on time of day.

Galaxy Z Fold3 5G

The latest technology in your hand

Unfold a premium experience

Designed to impress, engineered to endure

- Premium craftsmanship means it's built to impress for a long time.
- IPX8 water-resistance¹² and an Armor Aluminum frame protect from the occasional spill or drop.

A world of benefits awaits

- Z Premier premium perks were created just for Galaxy Z owners.
- Unfold a world of exclusive benefits including travel, food, fitness and more.

Total care, total reassurance, total control

- Samsung Care+ for Business provides stackable service packages.
- Hassle-free device repairs.
- Extended warranty of up to five years.¹³
- Coverage for accidental damages, theft and loss.
- Dedicated technical specialists and professional engineers can assist with everything from device deployment to expedited exchanges.

Unfold a safe and secure space

Keep your work and personal data safe and secure

- Knox defense-grade security platform protects from the chip up to help keep work and personal data safe and secure.
- Knox helps protect Galaxy Z Fold3 5G from intrusion, malware and malicious threats.

More protection for everything that matters most

- Knox Vault combines tamper-resistant Secure Memory with our trusted Secure Processor, letting you safely store your most sensitive data under lock and key.
- Safeguard PINs, passwords, biometrics, authentication keys, Samsung Pass and more.

SAMSUNG |  AT&T Business

©2021 Samsung Electronics America, Inc. Samsung, Galaxy, Z Fold3, DeX and Knox are all trademarks of Samsung Electronics Co., Ltd. Other company names, product names and marks mentioned herein are the property of their respective owners and may be trademarks or registered trademarks. Appearance of devices may vary. Screen images simulated. Printed in U.S.A. HHP-ATT-ZFOLD35GDSHT-SEP21T

¹Measured diagonally, the screen size is 7.6" in a full rectangle and 7.4" accounting for the rounded corners. ²Wireless DeX requires smart TV with Miracast support; both devices must be on same Wi-Fi network. ³Display, keyboard and mouse sold separately. ⁴MS Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately. ⁵Multi-Active Windows works with select applications. Number of compatible apps is growing through third party developers. ⁶Drag and drop functionality works with select applications. ⁷Compatible with S Pen Fold Edition and S Pen Pro only, each sold separately. ⁸5G speeds vary and require optimal network and connection. Factors include frequency, bandwidth and congestion. See carrier for availability. ⁹Based on average battery life under typical usage conditions. Actual battery life depends on factors such as network, features selected, and other application-usage patterns. Results may vary. ¹⁰Super fast (25 W) charger sold separately. Use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ¹¹Link to Windows requires the Your Phone app (free download), a Microsoft account and Windows 10. Some mobile apps may have security features that prevent the mobile app from being viewed on PC. ¹²Water resistant in up to 5 feet of fresh water for up to 30 minutes. Rinse residue/dry after wet. ¹³Up to five years* applies to Accidental Damage from Handling (ADH) coverage for rugged devices only, such as Galaxy XCover, Galaxy XCover Pro, and Tab Active Tablets. All other products and services (such as Extended Warranty and Theft & Loss) have "up to three years" coverage. Sales can request special pricing or contract terms through Samsung's Special Price Authorization (SPA) process. ¹⁴Total amount of available memory may be less based on configuration. ¹⁵Actual storage available may vary depending on pre-installed software.
