

SAMSUNG

Galaxy A15 5G

Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details.

Introducing the Galaxy A15 5G

Awesome belongs to your business with Galaxy A15 5G. Built with all the essential features, Galaxy A15 5G makes it easier to embrace cutting-edge innovation while providing unmatched value. Catch every important detail while videoconferencing or completing projects on a bright, crisp display. Then, capture product photography, demos and team events in impressive quality using a triple-lens camera system. Save all the content you create – as well as your important files – without worrying about running out of space, thanks to the expandable storage. Power through your day with a reliable battery that charges at lightning speed with Super Fast Charging³ – helping you stay as productive as possible. Plus, with multilayered Knox Security,⁷ you can trust that your A15 5G keeps your business's data safe and secure. Experience the awesomeness in every workday with Galaxy A15 5G – where innovation meets accessibility.

See all you need on a bright screen

The awesome screen of Galaxy A15 5G ensures that all your content is vivid, crisp and utterly captivating.

Store more and worry less

With improved internal storage and expandable storage^{4,5} options, Galaxy A15 5G gives you all the space you and your business need.

Efficient. Safe. Enterprise-ready.

Easily enroll, configure and manage hundreds of devices and more with access to Knox Suite⁷ on your Galaxy A Series phone.

Take payments on the go

Ring up customers from anywhere with mPOS⁶, a feature that turns your A Series phone into a mobile point of sale.

Keeping your data safe and secure

With Knox defense-grade protection built right in, your data security is covered.

Supercharge your workday with Super Fast Charging

Focus more on your business and less on your battery percentage with Galaxy A15 5G.

SAMSUNG
