# Galaxy S23+

## Epic for business

### Push the boundaries of what your business can achieve

Take your business beyond the ordinary by equipping your team with the Galaxy S23+, a productivity device can help them get the job done.

### See how epic every workday can be

Get out of the mundane and embrace the epic power of Galaxy S23+.

### Do more, worry less

Rest easy – Knox has your back. With Knox security, you're covered from chip to cloud and Knox cloud solutions can help you deploy and manage your corporate devices.

# Galaxy S23+

## Epic for business

### Push the boundaries of what your business can achieve

#### Capture, share, impress

- Create incredible content for your business with the highest resolution camera available on a phone; Main camera: 50MP; Ultra-Wide camera: 12MP; Tele camera: 10MP; Front camera: 12MP
- Take photos of objects that you cannot get close to with 30x Space Zoom
- Successfully build your business's social profile with incredibly smooth video thanks to Auto Focus Video Stabilization
- Take vivid, highly-optimized photos even in the dark with nightography

#### Powerful and fast

- Power through your day switch from video calls to integrated business apps with Snapdragon 8 Gen 2 Mobile Platform for Galaxy, our fastest processor yet
- Up to 512GB of storage means you can keep everything you need for work – important documents, photos and videos – while adding new ones
- Stay connected on the go, at home or in the office with 5G (sub6/mmWave) and Wi-Fi 6E<sup>1</sup>

#### Bright, brilliant and beautiful

- Stunning 6.6" Dynamic AMOLED 2X FHD+ (48~120Hz, 392ppi) screen lets you see and do more in amazing clarity
- Adaptive Vision Booster adjusts your screen's brightness automatically

### See how epic every workday can be

#### Power up and power on

- Work on your own terms, not your phone's, with a 4,700mAh battery and 45W fast charging that won't quit before you do<sup>2</sup>
- Our fastest Galaxy processor can help with heavy-duty and complex business apps and multitasking

#### Open up a Galaxy of opportunity

- Work seamlessly across your phone, tablet and laptop through the Galaxy ecosystem
- Galaxy devices sync wirelessly with each other to help you do more
- Sometimes work just needs a full desktop – now you can take one wherever you go with Samsung DeX<sup>3</sup>
- Accomplish more and stay in the zone wherever your business takes you with Microsoft integration<sup>4</sup>
- Answer work calls, collaborate with the team with Google Meet and transfer files from anywhere with Quick Share<sup>5</sup>

### Do more, worry less

#### Defense-grade security built-in from the chip up

- With Knox security, you're covered from chip to cloud so you can do more and worry less
- Streamline IT operations and protect your business from cyber threats with Knox Suite, a bundled offering of Knox solutions for enterprise mobility<sup>6</sup>
- With Knox Manage, IT admins can easily manage a fleet of devices to keep business data safe<sup>6</sup>

#### Total care, total reassurance, total control

- Samsung Care+ for Business offers an extended warranty, coverage for accidental damage and device repairs on covered devices<sup>7</sup>
- Enterprise Technical Support<sup>8</sup> partners directly with your IT team to maximize returns on your Samsung technology investment
- Real-time support from dedicated technical specialists and professional engineers can assist you with everything from device deployment to expedited exchanges
- Protect your investment with four years of OS upgrades and five years of security updates included
