Galaxy Book4 360

S Pen sold separately.

Meet Galaxy Book4 360, the new way to PC for your business

Discover the power for your business ideas and so much more in Galaxy Book4 360. This 2-in-1 laptop features a brilliant full-HD AMOLED display and effortlessly connects to your other Galaxy devices so they work together in perfect harmony.

The latest Intel® Core™ processor and a long-lasting battery give your team the power to go from spreadsheets to checking email to keeping up to date on all the industry trends. Stay productive with a versatile 360-degree hinge that folds back — now, you can use the compatible S Pen to conveniently take notes or edit business photos on the fly. Whatever the task, the spacious 15.6" AMOLED display delivers a premium experience in full HD.

Need more room to explore ideas? Easily pair your Galaxy Book4 360 with your Tab S9 Series device as a second screen¹ and effortlessly move items across both devices. You can also sync files and continue your smartphone conversations from the comfort of your keyboard using Link to Windows.²

A powerful 360-degree design to help you explore all your business interests — that's Galaxy Book4 360.

Power to explore new opportunities

Power your business with a powerful processor designed for productivity.

A packed battery for your stacked days

Stay connected to what matters for hours with a long-lasting battery.

A screen as captivating as your ideas

Have plenty of room to pursue all your business ideas on a stunning 15.6" AMOLED display.

Power plus portability

Performance meets style in a sleek, premium design that's slim and easy to carry.

Plenty of ports

Connect to other devices with a variety of ports.
