Availability of feature may vary by country or region.
The feature requires the latest Microsoft Outlook (minimum version 4.222.0.).

BUSINESS

Galaxy Z Fold4

See more

Multiple windows on the same screen at the same time enable quick decision-making

Expansive Screen

Tablet-sized productivity in your pocket

- Unfold a more productive way to work with Galaxy Z Fold4's expansive 7.6" screen.¹
- See everything you need at a glance, make quicker decisions and work smarter, not harder.
- Whether you're reviewing a spreadsheet, a contract or detailed schematics, you can comfortably see more of your Word documents on the go — and watch your productivity soar.

Multi-Active Window

Multi-windows made easy

- Launch up to three apps side by side.
- The new, intuitive taskbar lets you work across documents and compare data with a tap of your finger.
- Drag and drop content from one window to the other,⁴ and use all your apps to their full potential.

DeX

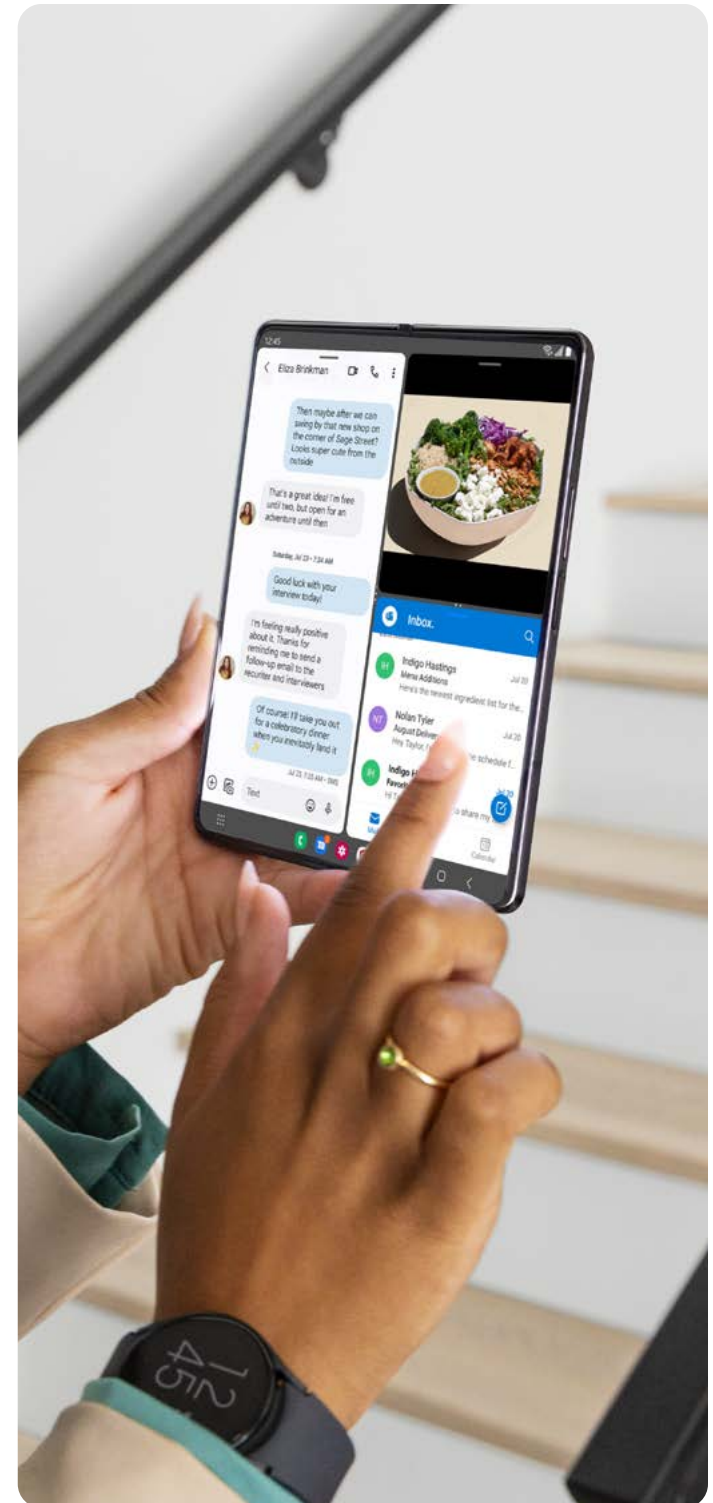

Power a PC-like experience

- Keep your PC in your pocket with Samsung DeX.
- Connect your Galaxy Z Fold4 wirelessly to a monitor or TV, pair a keyboard and mouse, and get to work in an intuitive PC-like environment.
- Whether you're finalizing a sales contract or presenting a pitch to clients, you can do it all from your Galaxy Z Fold4 and DeX.

Supersmooth display

A display that adjusts to your workday

- An expansive, foldable screen lets you see your work documents on a supersmooth display.
- With a nearly invisible under-display camera and intelligent blue light management, you get an edge-to-edge workspace that is easy on the eyes.

Galaxy Z Fold4

Do more

Apps are optimized so you can do more than review – run your business from anywhere

Microsoft integration

An optimized Office experience

- With Galaxy Z Fold4 optimized for Microsoft Office,² you can create and edit documents on the go.
- Using your Office apps the way you would on a laptop helps your team work efficiently and keep up with the fast pace of your business.

S Pen

Unleash the power of S Pen

- Wherever you are, S Pen⁵ lets you take notes, sign or mark up documents, or sketch your next business idea.
- Get a pen-on-paper feeling when you use S Pen on the expansive screen of Galaxy Z Fold4.

Hands-free

Free up your hands with Flex Mode

- Fold your Galaxy Z Fold4 to the perfect angle to take your conference calls in hands-free mode.
- Take notes, message your team or send an email as you video call hands-free.

Google Duo live sharing

Boost your brainstorm

- Take teamwork to the next level when you use Google Duo to live share⁶ and stream from your Galaxy Z Fold4.
- Lead a virtual collaboration session to capture every idea or review the latest video remotely with the whole team.

Phone-to-PC continuity

Your phone and PC are smarter in sync

- Link to Windows gives you the power to sync your Galaxy Z Fold4 with your PC.⁷
- Have access to all your Galaxy Z Fold4 mobile apps and call or text right from your PC.⁷
- Easily share files between your phone and PC with a simple drag and drop.⁴

Hyper-Fast Speed

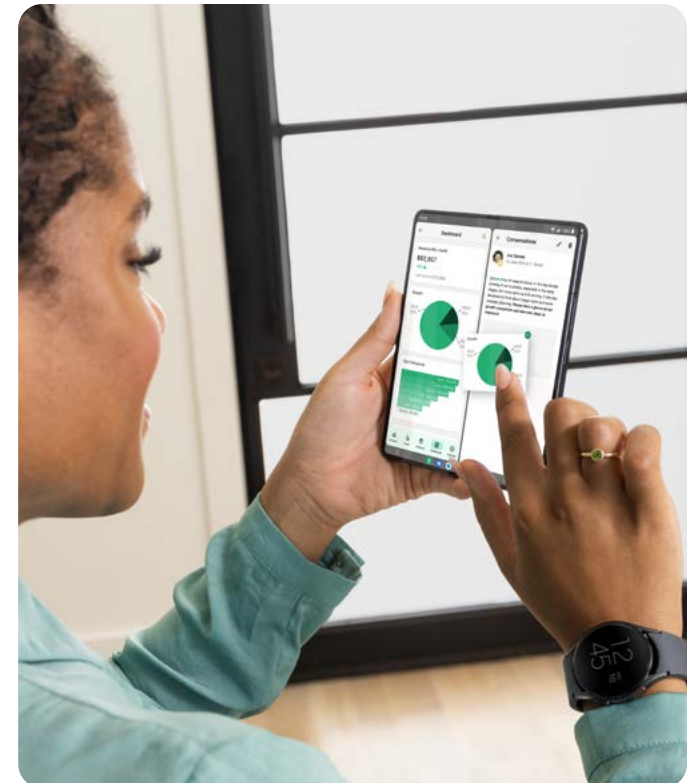

The speed of business just got faster

- Videoconference virtually lag-free and download files in a snap with hyper-fast 5G.⁸
- With Galaxy Z Fold4's powerhouse processor, you'll never fall behind.

Galaxy Connected Experience

Work smarter, together

- Galaxy Z Fold4 effortlessly syncs with your Galaxy Watch, Buds and Galaxy Book laptop.
- View notifications and answer calls on your Galaxy Watch. Connect instantly to your Buds. Share files to your PC in just a few taps.

Galaxy Z Fold4

Worry less

Galaxy Z Fold4 is built to last, and your data is protected too

Durability

Strong. Sturdy. Sleek.

- Confidently take on your workday with the water-resistant,³ scratch-resistant and durably designed Galaxy Z Fold4 and keep your business running no matter what.

Knox security

Keeping your data safe and secure

- Galaxy Z Fold4 is equipped with defense-grade Knox security so you can focus on business goals — not worst-case scenarios.
- Knox protects your device, your data and your clients' data from the chip up.
- Knox Vault keeps passwords, biometrics and other sensitive data secure from even the most sophisticated hackers.

Privacy dashboard

Take total control of your privacy

- With Privacy Dashboard, you are in full control of how apps access your device's mic, camera and location — as well as your data.

All-day battery

A battery that keeps up with business

- Galaxy Z Fold4 powers your business with an all-day battery.⁹
- Spend more time doing and less time charging with Super Fast Charging.¹⁰

Samsung Care+

Total care. Total reassurance. Total control.

- Samsung Care+ for Business¹¹ provides stackable service packages, allowing you to choose the right amount of coverage you need for your team.
- With accidental damage protection, hassle-free repairs and an extended warranty,¹² protecting your investment is a cinch.

BUSINESS

¹Measured diagonally, the screen size is 7.6" in a full rectangle and 7.4" accounting for the rounded corners. ²Microsoft Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately. ³Consistent with IPX8 rating, water-resistant in up to 5 feet of water for up to 30 minutes. Rinse residue / dry after wet. ⁴Drag and drop functionality works with select applications. ⁵Compatible with S Pen Fold Edition and S Pen Pro only, sold separately. Works with main display only. ⁶Google Duo enables Live Sharing with select apps. Requires all participants have Galaxy devices with Android 12 OS. ⁷Link to Windows requires the Your Phone app (free download), a Microsoft account and Windows 10 or 11. Some mobile apps may have security features that prevent the mobile app from being viewed on PC. ⁸Requires optimal 5G network connection, available in select markets. Check with your carrier for availability and details. Download and streaming speeds may vary based on content provider, server connection and other factors. ⁹Based on average battery life under typical usage conditions. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns. ¹⁰Superfast (25W) charger sold separately. Use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ¹¹Care+ for Business services are sold separately. To learn more, visit: samsung.com/us/business/solutions/services/samsung-care-plus-for-business/. ¹²Up to three years' coverage available. ¹³30x Space Zoom includes digital zoom, which may cause some image deterioration. ¹⁴Portion of memory occupied by existing content. ¹⁵Typical value tested under third-party lab condition. Rated (minimum) capacity is less. For more information, please visit www.samsung.com. ¹⁶Wireless charger sold separately. ¹⁷PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment.
