Galaxy Z Flip4

Hello, pocket-sized power

Pocket-sized productivity

Compact without compromise

- 6.7" foldable glass display² is smooth, clear and utterly seamless.
- Folds to fit easily into any pocket.
- Flips open to full size for productivity.

More flexibility, more possibilities

- Flex Mode lets you adjust the hinge to the perfect position for easy videoconferencing.
- Easily take hands-free selfies and group photos.

Twice the apps, twice the action

- Launch two apps with Multi-Active Window and see them simultaneously.
- Edit a document while referencing an email.
- Make a video call while also taking notes.
- Use App Pair to open two apps with a single tap.

Take your Office with you

- Easily access all your files, photos and reminders with integrated Microsoft Office,³ OneDrive and Teams.

Unfold big ways of working

Keep your notifications close

- Answer calls and respond to texts from the convenient cover screen, without even opening your phone.
- The informative cover screen lets you view notifications, send quick-reply texts, check the weather and more.

Fast — like hyper-fast

- Keep your business up to speed with 5G⁴ and our fastest Galaxy processor yet.
- Download in seconds, send an email in a flash and enjoy video chats with virtually zero lag.

Power through your workday

- An all-day battery⁵ for a jam-packed schedule.

Phone and PC, beautifully in sync

- Link to Windows gives you the power to sync your Galaxy Z Flip4 with your PC,⁶ so you can access your mobile apps and place calls.
- Work from your phone without even picking it up.⁶
- Share files between your phone and PC with a simple drag and drop.⁷

A camera that takes care of business

- The intuitive camera takes sharp, steady photos and videos.
- Make video calls on the go without worrying about image quality.
- Portrait Mode takes studio-like portraits with enhanced AI processing.
- Hyper-Lapse Mode is ideal for speeding up slow action in instructional videos.
- Auto Framing enhances videos by tracking a person's movement while on camera to keep them centered in frame, then automatically zooms out if another person enters the frame.
- Take smooth, professional-feeling videos with the Super Steady feature.

SAMSUNG

¹This device will work on any compatible LTE network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. ²Display measurements are diagonal, and actual viewable area is less due to rounded corners and camera hole punch. ³MS Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately. ⁴5G speeds vary and require optimal network and connection (factors include frequency, bandwidth, congestion); see carrier for availability. ⁵Based on average battery life under typical usage conditions. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data, and other application usage patterns. ⁶Link to Windows requires the Your Phone app (free download), a Microsoft account and Windows 10 or 11. Some mobile apps may have security features that prevent the mobile app from being viewed on PC. ⁷Drag and drop functionality works with select applications. ⁸Portion of memory occupied by existing content. ⁹Consistent with IPX8 rating, water-resistant in up to 5 feet of water for up to 30 minutes. Rinse residue / dry after wet. ¹⁰Typical value tested under third-party lab condition. Rated (minimum) capacity is less. For more information, please visit www.samsung.com. ¹¹Superfast (25W) charger sold separately. Use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. ¹²Wireless charger sold separately. ¹³PowerShare works with most Qi-Certified devices. Requires minimum 30% battery to share. Speed and power efficiency of charge varies by device. May not work with some accessories, covers or other manufacturer's devices. If you have trouble connecting or charging is slow, remove any cover from each device. May affect call reception or data services, depending on your network environment.
