

SAMSUNG

Performance, productivity and protection

Compelling performance

Grind through your toughest projects with a fast processor and 5G¹ connectivity, a versatile and hi-res camera, device storage that's expandable up to 1TB⁶ and a powerful battery won't quit before you do.

Productive, yet refined

Pump up your team to seize the workday with the sleek, durable Galaxy A54 5G. Capture all the details with a clear, crisp display, while native Microsoft integration and Google Meet keep employees connected, collaborative and on target. The elegant, refined look is protected front and back with Gorilla Glass 5 and IP67 protection resists spills and fends off dust².

Secure and versatile

Work anywhere, anytime, worry-free. The Galaxy A54 5G uses Samsung's trusted Knox security platform to protect your data from chip to cloud. Optional features like Knox Suite¹¹ and Samsung Care+ for Business¹² keep you covered wherever business happens.

Galaxy A54 5G

Galaxy A54 5G

Power your business

Compelling performance

Pro shots with ease

- Go ahead, show off. Put your business in the best light with the Galaxy A54 5G's camera.
 - Main: 50MP, Optic Image Stabilization (F1.8)
 - Ultra-Wide: 12MP (F2.2)
 - Macro: 5MP (F2.4)
 - Front: 32MP (F2.2)
- Shoot high-quality video that's perfect for sizzle reels and snap plenty of gorgeous product shots for posting to social with Single Take³.
- Keep track of completed orders and scan barcodes with a versatile camera ready for any job.
- Capture clear-as-day photos and video with Nightography to show off the detail of your work in low-light environments.

Work at the speed of business

- Upload, download and work in the cloud at the speed of business thanks to uninterrupted, fast Wi-Fi 6 and almost lag-free 5G¹.
- Load content fast and multitask in a flash with the impressive Exynos 1380 8-core processor.
- Simplify onboarding and asset protection with one eSIM, so you can use the same phone number for two devices⁴.
- Power on without worry with a long lasting 5,000mAh battery⁵ and Super Fast Charging⁵.

Work. Save. Repeat.

- Documents, spreadsheets, presentations, videos – the Galaxy A54 5G has space for them all with its 128GB internal storage⁶.

Productive, yet refined

Successful and secure collaboration

- Keep your work conversations going wherever you are with Google Meet⁷.
- Transfer a video call between devices, collaborate with the team while remote and live share documents without missing a beat.
- Keep your team connected to get more done wherever business happens with next-level Microsoft integration⁸.

Sleek style. Durable design.

- A new, elevated look and sleek, triple lens design protected by Gorilla Glass 5 offers the perfect mix of strength and style, while an IP67 rating protects your investment from spills and dust².

Crisp detail. Clear display.

- The 6.4-inch Super AMOLED screen⁹ lets you see more and do more.
- Smoothly scroll through long docs and posts with a wide, 120Hz display.
- Enjoy an almost bezel-less screen and see everything edge-to-edge with Infinity-O Display.

Secure and versatile

Your security is our business

- Comes with built-in Knox¹⁰ security platform, Samsung's defense-grade security that gives you protection and control over your devices.
- Additional optional Knox Suite¹¹ services provide an extra layer of defense, letting you easily, secure manage and deploy your business's entire mobile fleet.

Total care. Total reassurance. Total control.

- Be prepared for the unexpected whether you're working outdoors, on the go, from the office or at home.
- Samsung Care+ for Business¹² offers stackable service packages that empower you to pick the right level of coverage for your business.
- With accidental damage protection, hassle-free repairs and an extended warranty, the right coverage is a cinch.
- Access real time support from real life Samsung experts. Dedicated technical specialists and professional engineers are available to assist you with everything from device deployment to expedited exchanges.

Non-metric weights and measurements are approximate. Specifications and designs are subject to change without notice. See samsung.com for detailed information. HHP-A545G-DATA-GENERIC-MAR23NG

¹5G speeds vary and require optimal network and connection (factors include frequency, bandwidth, congestion); see carrier for availability. ²Consistent with IP67 rating, water resistant in up to 3 feet of freshwater for up to 30 minutes. Rinse residue / dry after wet. ³Single Take captures images and video for up to 10 seconds. ⁴Check with your carrier. ⁵Wall charger sold separately; use only Samsung approved chargers and cables. To avoid injury or damage to your device, do not use incompatible, worn or damaged batteries, chargers or cables. Supports 25W charging. ⁶MicroSD card sold separately. ⁷Requires devices to have One UI 2.5 or later. Must be logged in to the same Google account and Google Meet app must be activated on each device. ⁸MS Office license required for purchase to edit Excel, Word or PowerPoint documents. License sold separately. ⁹Measured diagonally, the screen size is 6.4" in the full rectangle and 6.3" accounting for the rounded corners. Actual viewable area is less due to the rounded corners and the camera cutout. ¹⁰For details on multilayered Knox protections, please visit: samsung.com/us/business/solutions/samsungknox. ¹¹Knox Suite sold separately. ¹²Care+ for Business services are sold separately.
