All-in-one for business

Meet your go-to device for on-the-go business productivity — Galaxy Tab A9+. A bright, engaging 11" screen¹ is perfect for every team member to do their thing. Whether videoconferencing with a client, tackling a major project or knocking out day-to-day tasks, an upgraded chipset makes every experience feel smooth and easy. You can even open multiple apps at the same time and get all your everyday tasks done quickly. Use it for hours without worrying about power, and keep everything together with plenty of storage space.

Give your team a great all-in-one Tab that perfectly meets all their everyday needs without blowing your budget — Galaxy Tab A9+.

A big screen your whole team can see

The bright, engaging 11" screen¹ is perfect for videoconferencing, presentations, demonstrations and more.

Split your screen. Expand the possibilities.

Browse, take notes and do more at once. Multitask seamlessly by using multiple apps⁴ on one screen.

Power and storage for all your work

Get the performance you need for your workday. Multitask, videoconference and more with an upgraded chipset. Keep all your important work files together with up to 128GB² of storage and microSD support.³

Defense-grade security, built right in

With Knox defense-grade protection built right in, we've got your data security covered.
