Galaxy S23 Ultra

Epic for business

Push the boundaries of what your business can achieve

Capture, share, impress

- Create incredible content for your business with the highest resolution camera available on a phone; Main camera: 200MP; Ultra-Wide camera: 12MP; Tele camera: 10MP; Front camera: 12MP
- Take photos of objects that you cannot get close to with 100x Space Zoom
- Successfully build your business's social profile with incredibly smooth video thanks to Auto Focus Video Stabilization
- Take vivid, highly-optimized photos even in the dark with nightography

Powerful and fast

- Power through your day and seamlessly switch from video calls to integrated business apps with Snapdragon 8 Gen 2 Mobile Platform for Galaxy, our fastest processor yet
- Up to 512GB of storage means you can keep everything you need for work – important documents, photos and videos – while adding new ones
- Stay connected on the go, at home or in the office with 5G (sub6/mmWave) and Wi-Fi 6E¹

Bright, brilliant and beautiful

- Stunning 6.8" Dynamic AMOLED 2X WQHD+ (1-120Hz, 500ppi) screen lets you see and do more in amazing clarity
- No matter your work environment, Adaptive Vision Booster adjusts your screen's brightness automatically

Enhance your everyday

S Pen – upgrade your note pad

- Don't miss a moment. Pop out your S Pen and start writing with screen-off memos
- Mark up documents on the fly and write directly onto calendars
- Use Air Actions to advance slides in a presentation or remote control your camera
- Use your S Pen to write naturally and instantly within apps, text fields and Samsung Notes

Power up and power on

- Work on your own terms, not your phone's, with a 5,000mAh battery and 45W Super-fast charging 2.0 that won't quit before you do²
- Our fastest Galaxy processor will help with heavy-duty and complex business apps and multitasking

Open up a Galaxy of opportunity

- Work seamlessly across your phone, tablet and laptop through the Galaxy ecosystem
- Send work files, photos or video to other Galaxy devices with Quick Share
- Galaxy devices sync wirelessly with each other to help you do more
- Sometimes work just needs a full desktop – now you can take one wherever you go with Samsung DeX³
- Accomplish more and stay in the zone wherever your business takes you with Microsoft integration⁴
- Answer work calls, collaborate with the whole team with Google Meet and smoothly transfer files from anywhere with Quick Share⁵

Do more, worry less

Defense-grade security built-in from the chip up

- With Knox security, you're covered from chip to cloud so you can do more and worry less
- Streamline IT operations and protect your business from cyber threats with Knox Suite, a bundled offering of Knox solutions for enterprise mobility⁶
- Knox Vault combines tamper-resistant Secure Memory with our trusted Secure Processor

Total care, total reassurance, total control

- Samsung Care+ for Business offers an extended warranty, coverage for accidental damage and hassle-free device repairs on covered devices⁷
- Enterprise Technical Support⁸ partners directly with your IT team to maximize returns on your Samsung technology investment
- Real-time support from dedicated technical specialists and professional engineers can assist you with everything from device deployment to expedited exchanges
- Protect your investment with four years of OS upgrades and five years of security updates included
