Authorized Accessories
Get the most out of the Galaxy Tab Active3 rugged tablet
The Tab Active3 goes nearly anywhere. The right accessories take it even further.

The rugged Galaxy Tab Active3 is the field-ready tablet that’s built for the real world. With MIL-STD\(^1\) toughness and an IP68 rating,\(^2\) it can stand up to the harshest environments. A replaceable battery means your team won’t be powerless at critical moments. You can access a frequently used application instantly with the programmable Active key. The Tab Active3 works even with gloves on.\(^3\)

And the rugged Tab Active3 can go to work in even more places with the high-performance accessories found in this catalog. They’re offered by our authorized partners, and are guaranteed to function flawlessly and work seamlessly. Take a look and think about how they can expand the Tab Active3’s and your team’s capabilities, and take your business places you never thought it could go.

---

\(^1\)This device passed military specification (MIL-STD-810G) testing against a subset of 21 specific environmental conditions, including temperature, dust, shock/vibration, and low pressure/high altitude. Real world usage varies from the specific environmental conditions used in MIL-STD-810G testing. Samsung does not guarantee device performance in all extreme conditions. Please see the Inbox Quick Sales Guide. 

\(^2\)IP68 Rating: Water resistant in up to 5 feet of water for up to 30 minutes. Rinse residue/dry after wet. 

\(^3\)Glove mode is compatible with most gloves and in wet conditions but does not work as intended with extremely heavy duty gloves or mittens.

Charging Cradle with Power Adapter and Cigarette Lighter Connector
7160-1313-01
Black
• Kit includes Living Hinge Charging Cradle (Item No. 7160-1313-01) and 12-24Vdc, 5V with Cigarette Lighter Adapter (Item No. 19249)
• 12-24V power input; 5V, 3A max output
• Perform tasks with another NFC device without taking the Tab Active3 out of the cradle
• USB-C charging port with integrated cable restraint (to connect to power supply), includes USB-C charging cable with cigarette lighter adapter
• AMPS mounting pattern, compatible with Zirkona mounting products

More info
Charging Cradle with Power Adapter and Bare Wire Lead

7160-1313-00
Black

- Kit includes Living Hinge Charging Cradle (Item No. 7160-1313-00) and 12-24Vdc, 5V with Bare Wire Lead (Item No. 19161)
- 12-24V power input; 5V, 3A max output
- Perform tasks with another NFC device without taking the Tab Active3 out of the cradle
- USB-C charging port with integrated cable restraint (to connect to power supply), includes USB-C charging cable with bare wire end
- AMPS mounting pattern, compatible with Zirkona mounting products

Lite Charging Cradle with Auto Power Supply

7160-1148-00
Gray

- Kit includes Samsung Tab Active3 Lite Charging Cradle (Item No. 7160-1148-00) and 12-24Vdc, 5V with Bare Wire Lead (Item No. 19161)
- Composite design for reduced overall weight
- POGO pin connector with USB-C connector attaches to USB auto power adapter (included)
- Perform tasks with another NFC device without taking the Tab Active3 out of the cradle
- VESA 75mm, M20 threads, and AMPS mounting hole patterns, compatible with Zirkona mounting products

Lite Charging Cradle with Cigarette Lighter Connector

7160-1148-10
Gray

- Kit includes Samsung Tab Active3 Lite Charging Cradle (Item No. 7160-1148-10) and 12-24Vdc, 5V with Cigarette Lighter Adapter (Item No. 19249)
- Composite design for reduced overall weight
- POGO pin connector with USB-C connector attaches to USB auto power adapter (included)
- Perform tasks with another NFC device without taking the Tab Active3 out of the cradle
- VESA 75mm, M20 threads, and AMPS mounting hole patterns, compatible with Zirkona mounting products

uniVERSE ProClip® 4-Bay Charging Station

78-52504
Black

- Designed to charge your Galaxy Tab Active3 while using the uniVERSE case with or without the OtterBox Hand Strap.
- Plugs into a single wall plug and converts it to the proper voltage to charge the tablets

More info
The rugged Galaxy Tab Active3 is ideal for retail environments. You can create simple and clean pay stations, or you can remain mobile on the sales floor.
mPOS

Payment Center

NE360C
Silver
- Allows Samsung tablets to be used for traditional register replacement using the NE360 universal tablet adapter
- Quickly and easily transform POS from fixed to mobile by using push button or software control
- Integrated charging
- Supports USB connectivity from tablet to connected peripherals—tablet must support charge and data through USB-C port
- Swivel stand from consumer to merchant or lock in place
- USB-A port standard; optional network hub with 3 USB-A, USB-C and Ethernet ports available for connecting peripherals such as scanners, keyboards, cash drawers, printers, etc.

Case

NE360T
Black
- 1.2m (4-ft.) drop rating to Mil Spec 810
- Integrated charging
- Integrate and USB connect with all InVue payment device cases*
- Magnetic polarized charging contacts for robust charge connection—no connectors to break
- Integrated kickstand
- Included adjustable hand strap attaches to either side of case
- Eye loops included may be used in place of InVue hand strap for most 3rd party shoulder straps attachment
- Payment device enclosure sold separately

Tablet Stand

CT150
Black
- Integrated charging keeps your tablet powered
- Tablet can go from fixed to mobile in seconds using a simple switch, or by using an InVue IR interface via OneKEY or CT Key
- Supports all Micro USB and USB-C power connected Samsung tablets
- Easily rotate between landscape and portrait display and flip to face the customer
- Freestanding out of the box with fixed mounting options available
- Wall mount with mechanical lockdown allows face of tablet to be less than 4” from wall, meeting ADA requirements
- Turn your tablet into a POS device with an easy to add card swipe/chip reader device bracket
- Supports use of 3rd party frames and cases

uniVERSE Series Module payment sleds for uniVERSE Samsung Tab Active 3 cases

78-52370
Black
- Custom-made to fit and securely hold the specified commercial payment device
- Made from a sturdy and durable material that is slightly flexible, to make it ideal for joining the Samsung Tab Active 3 uniVERSE case with a uniVERSE payment sled
- Compatible with uniVERSE Series payment modules*
