Phone App Installation Guide

For Android Phones

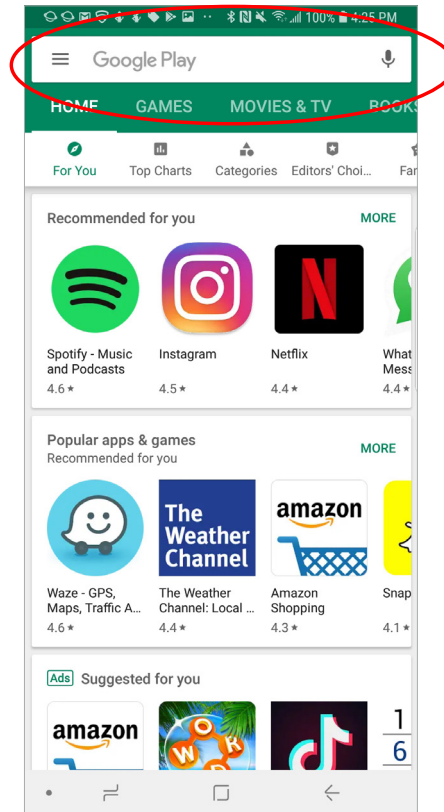

# Phone app installation - For Android

## STEP 1

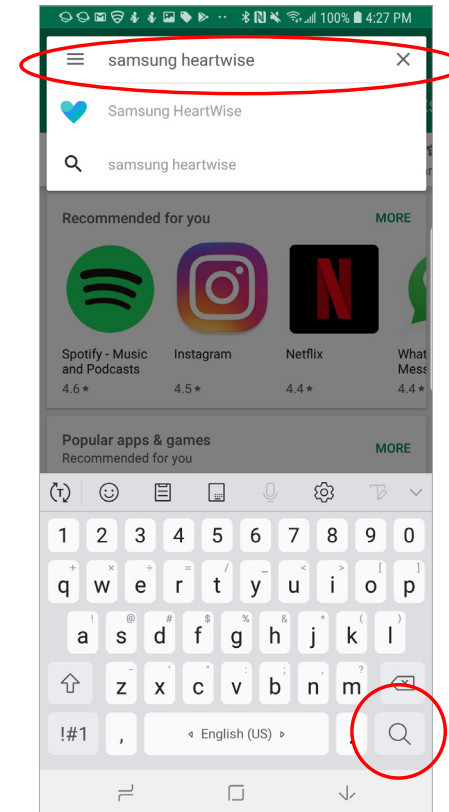

Tap the Play Store icon on your home screen. If you don't have the Play Store icon on your home screen, swipe up to see all apps.

## STEP 2

When you launch the Play Store application, go to the top of the page to locate the search bar.

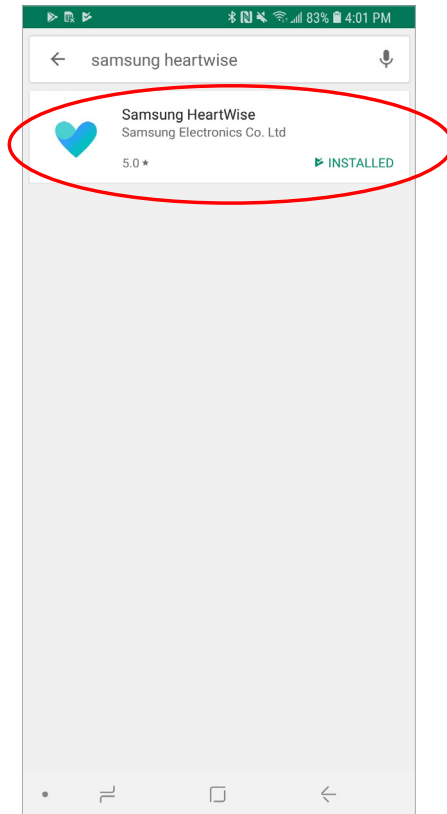

## STEP 3

Tap the search bar and type in the app name "Samsung HeartWise", and tap the magnifying glass at the bottom right.

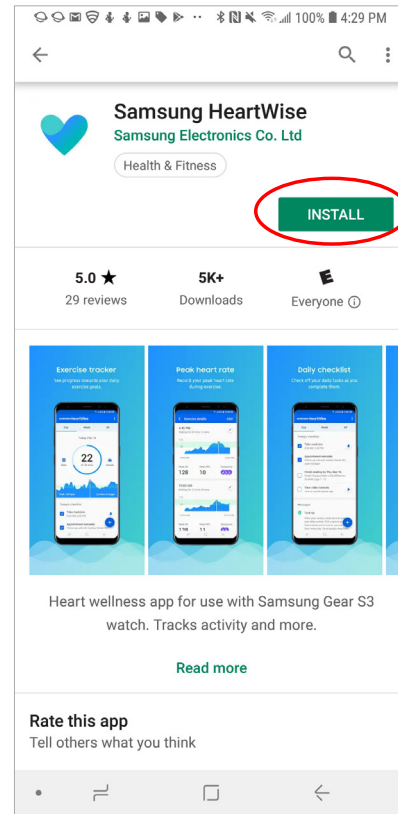

# Phone app installation - For Android

## STEP 4

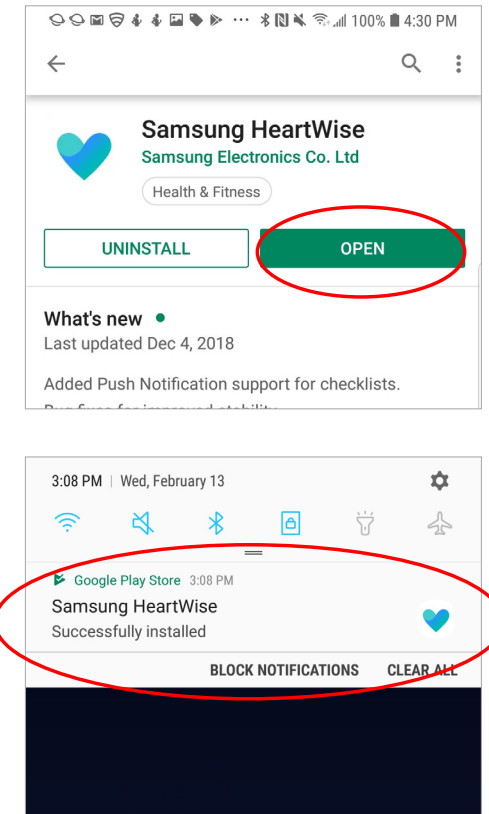

Find the Samsung HeartWise app by Samsung. Tap on the card. This will bring up the description, screen-shots, and reviews.

## STEP 5

Tap on the INSTALL button. You might be prompted to provide certain device permissions for the installation, then tap ACCEPT to continue.

## STEP 6

Once the installation is complete, you can tap the OPEN button. Or swipe down the quick panel from the top and tap the notification to open it. Otherwise, the app will be accessible in the homescreen.
