Attract audiences large and small, reliably and affordably.

DC-E Series Commercial LED LCD Display

Deliver your message with maximum impact and minimal budget. The DC-E Series display features bright, beautiful messaging in 32", to make an impact no matter your available space. Our most affordable commercial-grade LED display solution offers 1920 x 1080 resolution along with the functionality and reliability you need to reach and captivate your audience. And installation is a breeze, with a slim, lightweight design. From retail, education and healthcare to entertainment venues and quick service restaurants, the Samsung DC-E Series is ideal for every organization that wants to engage within budget.

Key Features

An Affordable Solution
The DC-E Series is Samsung's most affordable 32" commercial-grade LED display solution, which means it doesn't take much to make a huge impact.

Thin Bezel and Ultra-Slim 2.0" Chassis
Samsung's sleekness is now sleeker. The DC32E features a 10.5mm bezel width (top and sides). It also features a depth of just 2.0", which helps simplify installation and meets ADA requirements.

Reliable 16/7 Operation
Samsung commercial displays are designed from the chassis up to deliver the highest quality images with exceptional reliability. Unlike home TVs, they're designed specifically for long hours of continuous use.

Built-In Tuner
The DC-E Series display includes an embedded tuner, for local tuning of TV content.

Versatile Connectivity
Connect the DC-E series to other digital signage easily. Inputs include HDMI, DVI-I, Component and Composite, as well as USB, RS-232C and RJ45 connections. You can also attach an optional set-back box media player, which expands the DC-E Series' capabilities even further.

MagicInfo Lite for Intuitive Content Management
With Samsung MagicInfo Lite, you can easily play a large range of content including video, images and photos, either on demand or from a schedule. Files can be easily accessed from a USB stick, connected player or drive.
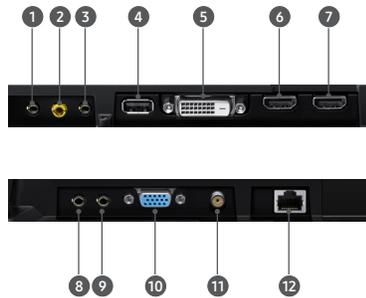

3-Year Commercial Warranty
A 3-year warranty means extended peace of mind.
