

Unlock productivity at every level.

The Samsung Galaxy A series offers smartphones that fit nearly every company's budget. And the Galaxy A21 can increase the productivity of task workers throughout your business.

Unlock freedom

- Choose your carrier, or choose no carrier¹
- No carrier apps pre-loaded, so the Galaxy A21 performs at peak efficiency

Productivity for the entire team

- All-day 4,000 mAh battery² and included fast charger³
- Large, clear screen with 6.5" HD+ Infinity-O display⁴
- One-handed texting and calling with Samsung One UI
- Sharp, clear document capture and barcode scanning with 16 MP quad camera
- Space for important files with 32GB of storage, expandable up to 512GB⁵

Strong security and easy IT management

- Corporate and personal data remain safe with Knox defense-grade security⁶
- IT can bulk-customize and remotely manage all Galaxy A21 devices⁷

Specifications		Galaxy A21 Unlocked

¹This device will work on any compatible network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. See provider for details. ²Based on average battery life under typical usage conditions. Average expected performance based on typical use. Actual battery life depends on factors such as network, features selected, frequency of calls, and voice, data and other application usage patterns. Results may vary. ³Fast Charging capability through provided charger. ⁴Measured diagonally without accounting for the rounded corners. Actual viewable area is less due to the rounded corners and camera lens. ⁵MicroSD card sold separately. ⁶For the full list of Knox certifications, please visit samsung.com/knox. ⁷Additional licenses are required for Knox Mobile Enrollment, Knox Manage, Knox E-FOTA and Knox Platform for Enterprise. Free trials may be available for these services. Please check samsung.com/knox. ⁸Total amount of available memory may be less based on configuration. ⁹Portion of memory occupied by existing content.
