T-MOBILE FOR BUSINESS

Galaxy Tab S7 FE 5G (LTE)

Be big. Be bold. Be productive.

The size and the speed to get more done.

Bigger screen. More productivity.

- Expansive 12.4" viewing surface is ideal for multi-person conference calls, complex documents and more.

5G. Work faster, work smarter.

- Upload and download files faster, stream with virtually no lag, work over your private, highly secure 5G hotspot.[1,2]

The speed to move. The space to grow.

- Tackle complex business challenges with ease thanks to the Qualcomm SM7225 Octa-Core processor.

Master multitasking with Samsung DeX.

- Get a PC experience and navigate easily with the S Pen and optional keyboard.[3]

More workspace. More ways to create.

- Multi-device connectivity lets you hand off content between devices.
- Get a PC-like experience with multiple windows open on your tablet.

Seamless Microsoft integration.

- Stay on the ready with all the Microsoft apps you need, right at your fingertips.[4]

See what the power of versatility can do.

Write. Draw. Click. Tap.

- Included S Pen features a responsive new design that feels closer to pen on paper than ever before.

Puts you center stage.

- Make a better impression in virtual meetings without worrying about staying in frame. Landscape View automatically keeps you front and center.
- Wide-angle view lets you include more information in every meeting.

The power to do more.

- Long battery life helps you power through your day and then some, all on a single charge.[5]

Built for a worry-free workday.

Trusted security, built in.

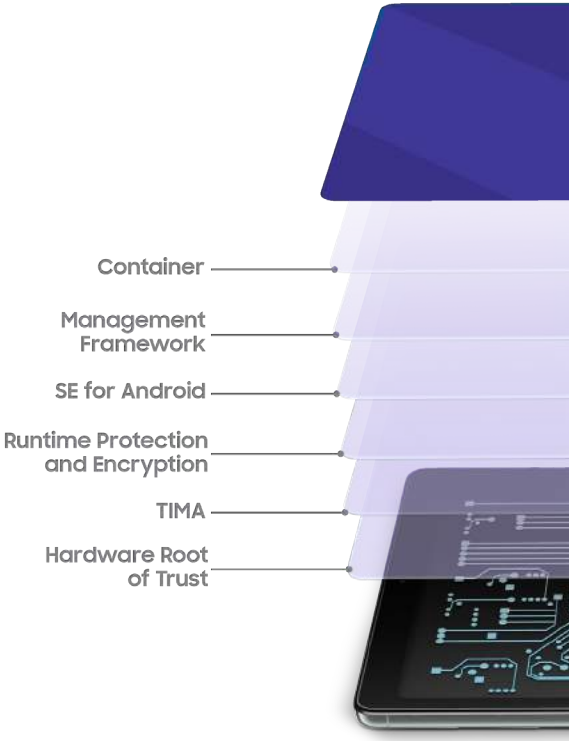

- Built on the Samsung Knox trusted security platform, the Galaxy Tab S7 FE 5G is protected from intrusion, malware and malicious threats.[6]

Stay in sync and in control.

- Knox Suite offers a complete set of cloud-based solutions designed for the mobile workforce.[7] Easily control your team's devices from end to end.

Total care. Total assurance. Total control.

- Samsung Care+ for Business has your back with hassle-free device repairs, an extended warranty of up to three years with coverage for accidental damages, plus real-time technical support.
