## Your style, your health

Your style. Your health. Look good and feel great with your smart new companion, Samsung Galaxy Watch4 Classic. Make a stylish statement with an iconic silhouette and stainless-steel casing, while your watch keeps you in tune with your health and pushes you to go further. Make the most of every run with advanced coaching and oxygen-level monitoring<sup>1</sup> that help you exercise smarter while increasing endurance. Leave your phone behind while staying connected. You can call, text and stream music all from your wrist. Galaxy Watch4 Classic is health, evolved.

### Fitness/Auto Workout Tracking

Make the most of every workout with advanced Auto Workout Tracking. Stay motivated by connecting to live coaching sessions via your smartphone or to dynamic group challenges with friends and colleagues.<sup>2</sup>

### Advanced sleep/continuous SpO<sub>2</sub>

Wake up feeling refreshed and recharged every day with advanced sleep tracking. When you go to bed, the sleep tracker on your Galaxy Watch4 Classic starts monitoring your sleep and SpO<sub>2</sub> levels continuously.<sup>3</sup> This info is combined with snoring assessments captured on your smartphone<sup>4</sup> to help you figure out how to improve your overall sleep quality.

### Extension of your phone

Galaxy Watch4 Classic works as an extension of your phone so you can do more while on the go. Talk, text, stream music and more just by tapping the watch on your wrist.<sup>5</sup>

### Luxurious design

Show off your style with a luxurious watch design that's great for any occasion. Galaxy Watch4 Classic offers a wide range of stylish watch faces so realistic they hardly look digital. You'll always be perfectly dressed for any occasion, from a formal evening with coworkers to a casual lunch with friends. Mix up your look even more by choosing from a collection of interchangeable bands for an on-point look that's totally you.<sup>6</sup>
