SAMSUNG

Flip your way from work to play

Unfold new ways to get work done

Pocket-sized productivity

Small and compact when closed, 6.7" and ready to work when open. Seamless, foldable glass makes it possible.

Unfold big ways of working

5G connectivity, our fastest Galaxy processor yet, a serious camera and more mean you compromise nothing.

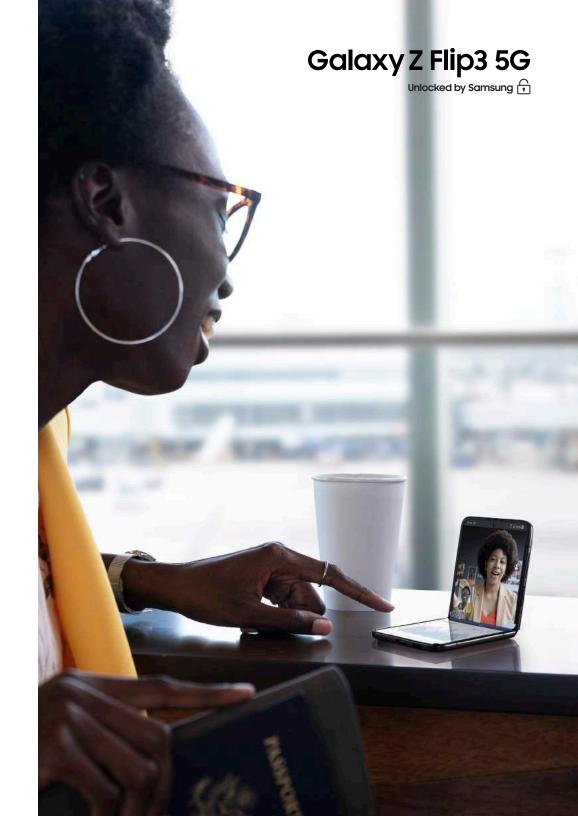

A premium experience

Stunning design, durability and exclusive partner perks deliver an exceptional work experience, and then some.

Work more securely than ever

Galaxy Z Flip3 5G takes it up a level with defense-grade security, and Knox Vault that helps safeguard passwords and your most important data.

Hello, pocket-sized power

Unlock flexibility

Unlocked Galaxy Z Flip3 5G smartphones

- Choose your carrier, or choose no carrier.1
- No carrier apps pre-loaded, so Galaxy Z Flip3 5G smartphones perform at peak efficiency.

Pocket-sized productivity

Compact without compromise

- 6.7" foldable glass display is smooth, clear and utterly seamless.²
- Folds to fit easily into any pocket.
- Flips open to full size for productivity with no compromise.

More flexibility, more possibilities

- Flex Mode lets you adjust the hinge to the perfect position for easy videoconferencing.
- Easily take hands-free selfies and group photos.

Twice the apps, twice the action

- Launch two apps with Multi-Active Window, and see them simultaneously.³
- Edit a document while referencing an email.
- Make a video call while also taking notes.
- Use App Pair to open two apps with a single tap.4

Take your Office with you

 Easily access all your files, photos and reminders with integrated Microsoft Office, OneDrive and Teams.⁵

samsung.com/galaxyforbusiness

Unfold big ways of working

All your notifications, front and center

- Take care of business, even when Galaxy Z Flip3 5G is folded shut.
- Informative cover screen lets you view notifications, send quick-reply texts, check the weather and more.

Fast, like hyper-fast

- 5G⁶ and our fastest Galaxy processor yet give you all the speed you need in the palm of your hand.
- Download in seconds, send an email in a flash and enjoy video chats with virtually zero laq.⁶

Fast charging for fast working

• You won't miss a thing with 15W fast charging.⁷

Phone and PC, beautifully in sync

- Link to Windows syncs your Galaxy Z Flip3 5G with your PC, so you can control your phone from your PC.8
- Work from your phone without even picking it up.
- Share files between your phone and PC with a simple drag and drop.

A steady camera for unpredictable days

- Intuitive camera takes sharp, steady photos and videos.
- Make video calls on the go without worrying about image quality.
- Portrait Mode takes studio-like portraits with enhanced Al processing.
- Hyper-Lapse is ideal for speeding up slow action in instructional videos.
- Auto Framing enhances videos by tracking a person's movement while on-camera to keep them centered in frame, then automatically zooms out if another person enters frame.
- Take smooth, professional-feeling videos with the Super Steady feature.⁹

Galaxy Z Flip3 5G

It's completely impressive

A premium experience

Designed to impress, engineered to endure

- Premium craftsmanship means it impresses every time you pull it out of your pocket.
- IPX8 water-resistance¹⁰ and an Armor Aluminum frame protect from the occasional spill or drop.

A world of benefits awaits

- Z Premier premium perks were created just for Galaxy Z owners.
- Unfold a world of exclusive benefits including travel, food, fitness and more.

Work more securely than ever

Keep your work and personal data safe and secure

- Knox defense-grade security platform protects from the chip up to help keep work and personal data safe and secure.
- Knox helps protect Galaxy Z Flip3 5G from intrusion, malware and malicious threats.

More protection for everything that matters most

- Knox Vault combines tamper-resistant Secure Memory with our trusted Secure Processor, letting you safely store your most sensitive data under lock and key.
- Safeguard PINs, passwords, biometrics, authentication keys, Samsung Pass and more.

15G: This device is compatible with both mmWave and Sub-65G networks. LTE: This device will work on any compatible LTE network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. See provider for details. ²Measured diagonally without accounting for rounded corners. ³Multi-Active Windows works with select applications. Number of compatible apps is growing through third party developers. Certain apps may not support App Pair. MS Office license required for purchase to edit Excel, Word or Power Point documents. License sold separately. SG speeds vary and require optimal network and connection. Factors include frequency, bandwidth and congestion. See carrier for availability. Fast (15 W) charger sold separately. Use only Samsung-approved chargers and cables; do not use any worn or damaged chargers or cables; incompatible charger or cable can cause serious injuries or damage to your device. Link to Windows requires the Your Phone app (free download), a Microsoft account and Windows 10. Some mobile apps may have security features that prevent the mobile app from being viewed on PC. Super Steady video is limited to 1080p resolution at 30fps. Water resistant in up to 5 feet of fresh water for up to 30 minutes. Rinse residue/dry after wet. "Total amount of available memory may be less based on configuration." Actual storage available may vary depending on pre-installed software.
