

SAMSUNG

Galaxy Z Flip3 5G

Flip your way from work to play

Unfold new ways to get work done

Pocket-sized productivity

Small and compact when closed, 6.7" and ready to work when open. Seamless, foldable glass makes it possible.

Unfold big ways of working

5G connectivity, our fastest Galaxy processor yet, a serious camera and more mean you compromise nothing.

A world-class experience

Stunning design, durability and exclusive partner perks deliver an exceptional work experience, and then some.

Work securely

Galaxy Z Flip3 5G takes it up a level with defense-grade security, and Knox Vault that helps safeguard passwords and your most important data.

Galaxy Z Flip3 5G

Hello, pocket-sized power

Pocket-sized productivity

Compact without compromise

- 6.7" foldable glass display is smooth, clear and utterly seamless.¹
- Folds to fit easily into any pocket.
- Flips open to full size for productivity with no compromise.

More flexibility, more possibilities

- Flex Mode lets you adjust the hinge to the perfect position for easy videoconferencing.
- Easily take hands-free selfies and group photos.

Twice the apps, twice the action

- Launch two apps with Multi-Active Window, and see them simultaneously.²
- Edit a document while referencing an email.
- Make a video call while also taking notes.
- Use App Pair to open two apps with a single tap.³

Take your Office with you

- Easily access all your files, photos and reminders with integrated Microsoft Office, OneDrive and Teams.⁴

Unfold big ways of working

All your notifications, front and center

- Take care of business, even when Galaxy Z Flip3 5G is folded shut.
- Informative cover screen lets you view notifications, send quick-reply texts, check the weather and more.

Fast, like ultra-fast

- 5G and our fastest Galaxy processor yet give you the speed you need in the palm of your hand.
- Download quickly, send an email in a flash and enjoy video chats with low lag.⁵

Fast charging for fast working

- You don't miss a thing with 15W fast charging.⁵

Phone and PC, beautifully in sync

- Link to Windows syncs your Galaxy Z Flip3 5G with your PC, so you can control your phone from your PC.⁶
- Work from your phone without even picking it up.
- Share files between your phone and PC with a simple drag and drop.

A steady camera for unpredictable days

- Intuitive camera takes sharp, steady photos and videos.
- Make video calls on the go without worrying about image quality.
- Portrait Mode takes studio-like portraits with enhanced AI processing.
- Hyper-Lapse is ideal for speeding up slow action in instructional videos.
- Auto Framing enhances videos by tracking a person's movement while on-camera to keep them centered in frame, then automatically zooms out if another person enters frame.
- Take smooth, professional-feeling videos with the Super Steady feature.⁷

Galaxy Z Flip3 5G

It's completely impressive

A world-class experience

Designed to impress, engineered to endure

- Premium craftsmanship means it impresses every time you pull it out of your pocket.
- IPX8 water-resistance⁸ and an Armor Aluminum frame protect from the occasional spill or drop.

A world of benefits awaits

- Z Premier premium perks were created just for Galaxy Z owners (perks program provided by Samsung).
- Unfold a world of exclusive Samsung program benefits including travel, food, fitness and more.

Work securely

Keep your work and personal data secure

- Knox defense-grade security platform protects from the chip up to help keep work and personal data safe and secure.
- Knox helps protect Galaxy Z Flip3 5G from intrusion, malware and malicious threats.

More protection for everything that matters most

- Knox Vault combines tamper-resistant Secure Memory with our trusted Secure Processor, letting you safely store your most sensitive data under lock and key.
- Safeguard PINs, passwords, biometrics, authentication keys, Samsung Pass and more.
