Galaxy Chromebook Go

Exceptional mobility, productivity and durability.

It's ready for the school day.

Slim. Lightweight. Ready to go.

- All-new backpack-friendly slim design: just 0.63" thin.
- Our lightest 14" Chromebook yet: just 3.2 lbs.

Skillfully designed. Military tough.

- Built to withstand the most challenging users: students.
- Military-grade design to withstand the occasional drop or ding.¹
- Tough 180-degree hinge enables multiple viewing angles to make sharing easy.

All-day, all-in-one charging.

- Power through the school day and beyond with a long-lasting 12-hour battery.²
- A universal charger that's compatible with all Samsung devices, including Chromebook, phone, tablet and buds, means just one charger to carry.

Speed with flexibility.

Wi-Fi 6: 3x faster.

- Blaze through every assignment with Wi-Fi 6 speed, which is three times faster than the previous generation of Wi-Fi.³
- Better online experience whether in the classroom or connecting from another location.

Keep them connected wherever they are.

- LTE connectivity adds enhanced mobility without reliance on hotspots.⁴
- With LTE, students can stay connected to teachers and the classroom even in areas where there's no Wi-Fi.⁴

Your linked devices. One powerful network.

- Chrome OS connectivity gives you access to all your devices and keeps everything in sync.⁵
- Directly control your Android phone with Phone Hub, even if your phone's not on your desk.⁵
- Transfer files between devices without having to email yourself.⁵

The premium solution for education.

Made to inspire students' minds.

- Designed specifically to meet the needs of students and educators while also providing exceptional value.
- Intel Jasper Lake processor delivers fast web performance within a school's budget.
- Versatile connectivity includes USB-C (2), USB 3.2, microSD and a combination headphone/mic port.
- Seamless compatibility with the Chromebook ecosystem of learning platforms.
