It gets an A+ in performance and value.

It's ready for the school day.
More backpack-friendly than ever featuring a slim design and incredibly light weight, along with a military-grade design and an all-day battery.

Speed with flexibility.
The speed of Wi-Fi 6 helps you get the most out of the school day. And Chrome OS connectivity gives you a powerful, efficient network.

The premium solution for education.
Galaxy Chromebook Go is designed for education. It offers unmatched value with mobility, productivity and durability specifically for the K-12 environment.

samsung.com/b2bchromebook

It excels in mobility, productivity and durability.

It's ready for the school day.

Slim. Lightweight. Ready to go.
- All-new backpack-friendly slim design: just 0.63" thin.
- Our lightest 14" Chromebook yet: just 3.2 lbs.

Skillfully designed. Military tough.
- Built to withstand the most challenging users: students.
- Military-grade design to withstand the occasional drop or ding.[1]
- Tough 180-degree hinge enables multiple viewing angles to make sharing easy.

All-day, all-in-one charging.
- Power through the school day and beyond with a long-lasting 12-hour battery.[2]
- A universal charger that's compatible with all Samsung devices, including Chromebook, phone, tablet and buds, means just one charger to carry.

Speed with flexibility.

Wi-Fi 6: 3x faster.
- Blaze through every assignment with Wi-Fi 6 speed, which is three times faster than the previous generation of Wi-Fi.[3]
- Better online experience whether in the classroom or connecting from another location.

**Your linked devices. One powerful network.**
- Chrome OS connectivity gives you access to all your devices and keeps everything in sync.[4]
- Directly control your Android phone with Phone Hub, even if your phone's not on your desk.[4]
- Transfer files between devices without having to email yourself.[4]

The premium solution for education.

Made to inspire students' minds.
- Designed specifically to meet the needs of students and educators while also providing unmatched value.
- Intel Jasper Lake processor delivers fast web performance within a school's budget.
- Versatile connectivity includes USB-C (2), USB 3.2, microSD and a combination headphone/mic port.
- Seamless compatibility with the Chromebook ecosystem of learning platforms.
