

The more you see, the more you can do.

34" Ultra-Wide WQHD Monitor

Make the most of every workday, while still making the most of your budget. The budget-friendly Samsung SJ550 series monitor gives you an ultra-wide view of more tasks at once. The 34" screen features WQHD resolution and 3000:1 contrast ratio, for a gorgeous picture you can easily sit in front of all day long. The ultra-wide 21:9 ratio combines with dual-source PBP and PIP to let you keep an eye on more windows at once, while Eye Saver Mode and Flicker Free technology make sure things stay easy on the eyes. And with the beautifully sleek design, the Samsung SJ550 series monitor delivers a premium experience to every desktop.

Key Features

21:9 Ultra-Wide, WQHD Resolution

The 21:9 ultra-wide aspect ratio provides more room to work, while the WQHD resolution combines with best-in-class 3000:1 contrast ratio for a picture that's wide, sharp and detailed.

75Hz Refresh Rate, 4Ms GtG Response Time

A fast refresh rate and fast response time work together to deliver a crisp, blur-free and ghost-free picture. There's no juddering and minimal lag when watching video or other fast-changing content.

Enhanced Video Capability

AMD FreeSync, Game Mode and 4ms response time work together to deliver a crisp, sharp, blur-free picture with no juddering when gaming or watching video.

VESA Compatible

VESA compatibility makes installation on a wall or mounting arm simple.

Easy Connectivity

The S34J550WQN offers DisplayPort and two HDMI inputs for easy high-speed connections.

Eye Saver Mode and Flicker Free Technology

Eye Saver Mode and Flicker Free technology provide increased comfort. When Eye Saver mode is active, blue light levels are lowered, for reduced eye strain during long work hours. Flicker Free technology adds further viewing comfort by eliminating flickering at all levels of brightness.

Easy Setting Box

Easy Setting Box software enables you to partition your screen and organize windows exactly the way you want, with just a simple click or two. Choose from 14 preconfigured layouts, then manually adjust them further if you like.
