

A desktop experience from your smartphone.

If there's a monitor, you're in business. Samsung DeX™ enables you to work without barriers by extending your Galaxy S8/S8+ into a desktop experience. Connect your smartphone to a monitor, keyboard and mouse¹ for a rich desktop-like experience complete with contextual menus, drag-and-drop functionality and multiple, resizable windows. Run virtualized Windows desktops and apps with enterprise-ready VDI solutions² including solutions from Citrix, VMware and Amazon. Samsung DeX transforms your Galaxy S8/S8+ into a more productive work tool, so you can stay productive from almost anywhere.

Samsung DeX Productivity

Simple

Just dock your smartphone into the DeX station to connect and work in an optimized desktop experience for Android apps.

Convenient

Use your smartphone in a desktop environment without having to transfer data or files to a separate computer.

Secure

Your smartphone remains protected by Samsung Knox™ defense-grade security,³ so the apps and data you access with DeX are safe and secure.

A desktop experience from your smartphone.

Samsung DeX Increases the Convenience of your Smartphone with a Desktop Experience

- Provides an easy and intuitive work experience through a familiar interface designed for multi-tasking
- Supports ability to resize, move and maximize/minimize app windows
- Keyboard/mouse optimization supports keyboard shortcuts, copy and paste, mouse scroll, and drag and drop functions

Samsung DeX Offers a Desktop UX for your Android Apps

- Samsung Internet: Use multiple browsers and tabs with desktop versions of the websites
- Microsoft Office and Adobe apps are optimized for DeX with keyboard/mouse and resizable windows support
- Most Samsung preloaded apps are optimized for DeX
- Many existing apps not yet optimized are still accessible with DeX

Samsung DeX Offers an Optimized Windows VDI (Virtual Desktop Infrastructure) Solution

When combined with VDI partner solutions, you'll find work even easier with a virtual Windows desktop².

- Access full Windows desktops and apps through a VDI solution partnership² including Citrix, VMware and Amazon

DeX Station

Connect your DeX-equipped Samsung smartphone to the DeX station, and you'll quickly be working without barriers.

- HDMI Out
- USB 2.0 (2)
- Wired Ethernet
- USB Type-C Power In
