1. Refers to Samsung-branded devices intended for use in other countries and not imported or sold by Samsung Electronics America, Inc.

2. This device will work on any compatible network. Wireless voice, data and messaging services are compatible with most GSM networks such as AT&T and T-Mobile and CDMA networks such as Verizon, Sprint and US Cellular®. Support for certain rate plans, features and services such as VoWiFi and hotspot vary by wireless service provider. Contact provider for details.

3. Samsung+ and Samsung KNOX are only compatible with select carriers and Samsung devices. Additional charges may apply for some additional apps and services.
