Innovative appliances for an innovative home.

Explore the full suite of Samsung home appliances. With a wow factor at first sight, they're even more impressive at first use. Induction ranges that look and cook like gas. Refrigerators that can post your status and let you watch TV. Dishwashers so quiet you won't know they're running. Connected appliances that you can monitor and control from your smartphone. And for the homeowner who demands only the most stunning, there's the beautiful and elegant Black Stainless Steel collection.

Where the smartest smart homes get their start.

In the future, homes will do things that we can only dream of. But with connected appliances from Samsung, the future starts today. A smart home starts with the SmartThings app. Appliances talk to the app via Wi-Fi and Bluetooth, giving you control, or independence, right at your fingertips. Boost your home's connectivity with the SmartThings Hub, which coordinates all Samsung connected appliances and electronics, as well as smart devices from many other manufacturers. Welcome to the future.

Cooking. Bring the sizzle.

Samsung cooking appliances include features any chef will envy and any aspiring chef will come to rely on. Single ovens that can cook two dishes at different temperatures simultaneously. Smart ovens that can be controlled with an app. Powerful and precise burners that outperform the competition. Induction tops that glow like gas. Microwaves that can be used as a second oven, cooking your food evenly while keeping it crispy on the outside. Now you're cooking.

Blue LED Illuminated Knobs

Vibrant indicators help you easily visually identify if your cooktop is on, even at a distance.

Wi-Fi Connectivity 📶

Use your smartphone to remotely turn the oven on* or off, and adjust the time and temperature for the ultimate cooking experience.

*As a safety precaution, remote start function available only on Electric Range.

Flex Duo™ Range with Dual Door

Unique middle-hinged door opens just the top section or the full oven for total flexibility. With Flex Duo™ Smart Divider, it's like having two ovens in one.

Flex Duo™

With independent controls, you can cook two dishes at two different temperatures simultaneously with the Smart Divider.

Digital-Analog Controls

The ultimate interface, with a combination of simple analog knobs and a precise digital touch screen.

Steam Cook

Enhance tricky recipes and foods by delivering moisture at precise times for a crisp, browned outside and tender inside.

Removable Magnetic or Analog Knobs

Choose between the comfort of the analog knob or the sleek interface of digital touch controls.

Bluetooth Connection

The cooktop and hood are synced via Bluetooth, and the hood fan automatically starts when the burners turn on.

Virtual Flame™ Technology

Provides a superior cooking experience by combining the visual of gas cooking with the precision of induction cooking.

PowerGrill

Toast, crisp, and brown your favorite foods right in the microwave.

Power Convection

The next step in technology heats evenly and cooks 20% faster than a standard convection microwave.*

Slim Fry™

Prepare great-tasting food with reduction in fat.**
Hot air is circulated, so french fries and chicken nuggets are cooked crispy, inside and out.

*Compared to Samsung MC11H6033CT model.

**Compared to cooking with deep frying

Dishwashing. Powerful and quiet.

Samsung dishwashers take scrubbing and scouring to the next level, so that you can spend more time enjoying meals together and less time tidying up. Quiet, powerful, fast, and efficient, they're packed with innovation behind their sleek exterior.

WaterWall™ 2.0

A powerful streaming wall of water delivers remarkable cleaning results.

AutoRelease™ Door

At the end of a cycle the door automatically pops open to circulate air and accelerate drying time.

Zone Booster

Target certain areas of the dishwasher with custom settings to wash delicate glasses and tough-to-clean pots – all in a single load.

Third Rack with Flextray™

Removable rack that simplifies unloading silverware and oversized utensils.

Refrigeration. Beyond cool.

When striking Samsung design meets Samsung technology, a new bar is set for the must-have appliance. Unprecedented Wi-Fi connectivity and innovative, convenient features redefine what it means to have the coolest kitchen on the block.

Family Hub™

A revolutionary new refrigerator with a Wi-Fi-enabled touchscreen lets you manage your groceries, connect with your family, and entertain like never before.

Food Showcase

Get quick and easy access to everyday items. The exterior showcase is perfect for drinks and condiments, while the InnerCase lets you store larger items.

FlexZone™

Versatile bottom-right compartment transforms from freezer to fridge with a touch of a button to suit your grocery needs.

Laundry. Keep It Clean.

With Samsung washers and dryers, laundry will be less of a chore. Wash separate loads at the same time. Add items in the middle of a cycle. Pre-treat stains in the built-in sink. Clean a full load in 30 minutes. Remotely control and monitor your wash from your smartphone. These techno marvels even clean themselves.

FlexWash™

Two washers in one gives you the flexibility to wash separate loads at the same time.

AddWash™

Easily add forgotten laundry mid-cycle without starting over, saving you the time and energy expense of a second cycle.

activewash™

The built-in sink is a convenient and powerful tool for pre-treatment of tough stains.

Largest Capacity Drum

Larger tub size means fewer loads, and fewer loads means more time doing other things you love.

Super Speed

When time is a premium, wash a full load in as little as 30 minutes – 45% faster* than a normal cycle.

Energy Star® Certified

*Normal one-hour wash can be completed in as little as up to 36 minutes as compared to WF511 washer without Super Speed. Based on DOE standard's average of 7.5 loads per week.

Vacuuming. Be floored.

Samsung POWERbot vacuums can map and navigate your whole house automatically, sense when it's time to clean, and pick up more dirt and pet hair than the competition. And our 2-in-1 cordless stick vac works as a powerful handheld or lightweight upright.

Wi-Fi Connectivity

Remotely control your robot vacuum's cycles and commands, and monitor its progress with your smartphone.

CycloneForce™

Cyclonic action creates powerful vortex that separates dust to keep the filter clean.

Visionary Mapping™ Plus and Fullview Sensor™

Maps your entire home and automatically creates optimal cleaning path and avoids obstacles.

RH29H9000SR

29 cu. ft. Side-By-Side Food ShowCase Refrigerator with Metal Cooling

Food ShowCase

Provides easy access to on-the-go items. The exterior showcase gives you instant access to drinks and condiments, while the Inner case lets you store large, fresh food items. Perfect for frequently used items, this refrigerator lets you easily organize your food by type or family member.

Metal Cooling

Locks in cold and seals in freshness. The stainless steel paneling helps maintain consistent temperature throughout the refrigerator.

High-Efficiency LED Lighting

Beautifully brightens virtually every corner of your refrigerator so you're able to quickly spot what you want. Plus, it emits less heat and is more energy-efficient than conventional lighting.¹ The sleek design saves more space than traditional incandescent light bulbs.

LED Display with Water and Ice Dispenser

An external, ice blue digital display allows you to easily control settings at the touch of a button. The Samsung Ice and Water dispenser provides a uniquely tall opening so pitchers and tall, decorative glasses can be filled quickly and easily. The external ice and water dispenser also serves as a filter, ensuring that plenty of filtered water, crushed ice, and cubed ice is always on hand.

Automatic In-Door Ice Maker

Maximizes freezer space, leaving more room for frozen foods and offers convenient access to ice, right inside the door. It can produce up to 4.2 lbs of ice per day and stores up to 5.5 lbs of ice.

FlexWash™ Washer + FlexDry™ Dryer

Washer

5.0 cu. ft. + 1.0 cu. ft. Capacity

Combination of a large-capacity front loader and a dedicated top loader means fewer washes, less time in the laundry room, and more time for you.

FlexWash™

Two washers in one gives you the flexibility to wash separate loads at the same time.

Super Speed

Wash a full load in as little as 30 minutes – 45% faster.¹

Steam Wash

Uses the power of steam to remove stains without pretreatment.

Dryer

7.5 cu. ft. Capacity + Delicate Dryer

Fewer loads, less time in the laundry room, and more time for you.

FlexDry™

Two dryers give you the flexibility to dry delicates and everyday garments at the same time.

Delicate Dryer

Flat dry delicates, sweaters, or accessories.

Multi-Steam Technology

Steam away wrinkles, odors, bacteria, and static.

Available Colors

Black Stainless Steel (shown)

White

Wi-Fi Connectivity

Remotely monitor remaining cycle time, receive alerts when the cycle is complete, and schedule cycles.*

ENERGY STAR® Certified

(Lower only)

* Only monitoring is allowed for gas dryer for safety reasons. Requires wireless network and Samsung Smart Home App. See Samsung.com for additional information.

¹ Normal 1-hour wash can now be completed in as little as 30 minutes as compared to WF42H5200 washer without Super Speed. Based on DOE standard's average of 7.5 loads per week.

AddWash™ Front-Load Washer and Dryer

Washer

5.0 cu. ft. Capacity

Largest 27" capacity front load washer¹ in the industry means fewer washes, less time in the laundry room, and more time for you.

AddWash™

The AddWash™ door eliminates the need to do an extra load of laundry just because you forgot an item. Now you can conveniently add in forgotten laundry after the cycle has begun, without starting all over again.

Super Speed

Wash a full load in as little as 30 minutes² - 45% faster, without sacrificing cleaning performance.

Steam Wash

Uses the power of steam to remove stains without pretreatment.

Dryer

7.5 cu. ft. Capacity

Fewer loads, less time in the laundry room, and more time for you.

Multi-Steam Technology

Steam away wrinkles, odors, bacteria, and static.

Available Colors

Black Stainless Steel (shown)

White

Wi-Fi Connectivity

Remotely monitor remaining cycle time, receive alerts when the cycle is complete, and schedule cycles.*

ENERGY STAR® Certified

* Only monitoring is allowed for gas dryer for safety reasons. Requires wireless network and Samsung Smart Home App. See Samsung.com for additional information.

¹ Based on USDOE/EPA listing.

² Normal one-hour wash can now be completed in as little as 30 minutes as compared to WF42H5200 washer without Super Speed. Based on DOE standard's average of 7.5 loads per week.

³ Visit www.energystar.gov for more information on ENERGY STAR guidelines. Electric dryer only.
