SIGNATURE FEATURES

LARGEST 34 CU. FT. CAPACITY

- Our 34 cu. ft. extra-large-capacity Four-Door French Door has enough room to fit up to 34 bags of groceries.¹
- 1 Grocery comparison based on each cubic foot of usable space equaling one paper bag.

METAL COOLING

- Locks in cold, seals in freshness.
- Stainless steel paneling helps maintain consistent temperature throughout the refrigerator.

TRIPLE COOLING

- Provides precise temperature and humidity controls in all three zones.²
- Your food stays fresher longer with 2 compressors and 3 evaporators, an industry-first.²

²Among consumer-grade freestanding refrigerators.

FRIDGE IN FREEZER

- Versatile, bottom-right door can be a fridge or freezer, maximizing fresh food storage space.
- The most fresh food storage available in its class at 26.7 cu. ft., when the convertible zone is used as a refrigerator.³
- Four customizable temperature settings: Fridge at 41°F, Chilled at 30°F, Soft Freeze at 23°F and Frozen at -9°F – 1°F.

³Among consumer-grade freestanding refrigerators.

REFRESHING SPARKLING WATER ANYTIME

- Features convenience of built-in, chilled sparkling or still water dispenser powered by sodastream.
- Save money and space, and create less waste than when buying bottled sparkling water.
- SodaStream 60L CO₂ carbonators are available for easy exchange at 10,000 locations.

Extra-Large Capacity

Triple and Metal Cooling System

Chef Inspired Features

INSTALLING YOUR REFRIGERATOR

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

DIMENSIONS

TOTAL CAPACITY: 34.3 CU. FT.

Refrigerator: 19.02 cu. ft.

SAMSUNG

*One of the largest refrigerators in Samsung's current lineup.

**Samsung received the highest numerical score for French door refrigerators in a tie in the proprietary J.D. Power 2014 Kitchen Appliance Study™. Study based on 15,380 total responses measuring 10 French door refrigerator brands and measures opinions of consumers about their new appliance purchased in the past 24 months. Proprietary study results are based on experiences and perceptions of consumers surveyed in January-March 2014. Your experiences may vary. Visit jdpower.com.

Actual color may vary. Design, specifications, and color availability are subject to change without notice. Non-metric weights and measurements are approximate.
