Black Stainless Steel

Signature Features

FOOD SHOWCASE FRIDGE DOOR

- Food ShowCase Door gives you easy reach of key items that are most often used, all visible in one glance.

METAL COOLING

- Locks in cold, seals in freshness.
- Stainless steel paneling helps maintain consistent temperature throughout the refrigerator.

COUNTER DEPTH

- More capacity, smaller floor space.
- Our 22 cu. ft. capacity Side-by-Side has enough room to fit up to 22 bags of groceries.*
- Stylish counter-depth design allows for more workable space in the kitchen.

*Grocery comparison based on each cubic foot of usable space equaling one paper bag.

36" Wide, 22 cu. ft. Counter Depth Side-by-Side Refrigerator with Food ShowCase Fridge Door

Installing Your Refrigerator

1. Measure the height, width and depth of the opening, making sure to include baseboards, molding tile, countertop overhang, etc. Check to be sure there is enough room to open the door (consider walls, islands or other obstacles when measuring).
2. Refer to illustration below to determine dimensions.
3. Allow 2.5" of clearance on hinge side of refrigerator when installing next to a wall where handle may make contact.
4. Allow 1" minimum clearance at rear for proper air circulation and water/electrical connections. Allow a 3/8" minimum clearance at sides and top for ease of installation.
5. Ensure each door and entryway in the home is wide enough for the refrigerator to be moved through easily.

For optimal usage and to be able to open refrigerator doors completely, do not install next to a wall.

Please note: The following dimension and cutout information is for planning purposes only. For complete installation details, consult manual packed with product, or download manual online at samsung.com.

Dimensions

Total Capacity: 21.5 cu. ft.

Refrigerator: 14.3 cu. ft.
