

# Faster scanning, hands free.

## Presenting the Galaxy XCover Pro / ProGlove Wearable Scanners Solution

**Hands-free barcode scanning for faster and more efficient scanning.** ProGlove pairs with the field-ready Samsung Galaxy XCover Pro via Bluetooth to deliver a hands-free option for your team. With the thinnest and lightest wearable scanners on the market, ProGlove MARK scanners allow users to keep their hands free and have full dexterity. Your team will have an intuitive, easy-to-use interface that interacts with your ERP or WMS system, for seamless high-volume scanning, faster and with fewer errors.

### Why this solution?

#### Increase efficiency

Workers can move faster without having to operate a legacy scanner or carry objects to a centralized station.

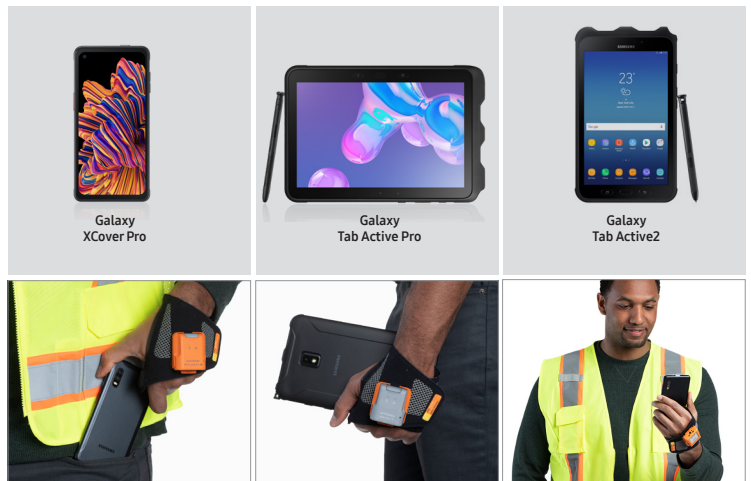

#### Reduce errors

Optional audio, visual and haptic feedback confirms the correct package was scanned or that a package is high priority.

#### Improve safety

The world's thinnest and lightest wearable scanners mean hands-free mobility, and no repetitive lifting of heavy packages.

ProGlove wearable scanner solutions also easily pair with other Samsung field-ready devices.

Specifications	Galaxy XCover Pro	
Part Numbers	Unlocked: SM-G715UZKDXAA Verizon: SM-G715UZKDVZW	
Color	Black	
Operating System	Android 10.0 (Q)	
CPU	Exynos 9611	
Processor	Quad 2.3GHz + Quad 1.7GHz Octa Core	
Memory <sup>1</sup>	4GB RAM	
Storage <sup>2,3</sup>	64GB, Expandable to 512GB with microSD	
Display	Screen Size 6.3"/ FHD+TFT, Gorilla Glass 5	
Display Resolution	2340 x 1080 (Infinity-O)	
Certifications	FIPS and CC certification	
Network	LTE: Cat 11 (3CA), Band 48 (Private LTE)	
Dimensions	6.3" H x 3.0" W x 0.40" D, 7.65 oz.	
Camera	Rear	25/8MP (Ultra-Wide) w/Dual LED Flash
	Front	13MP
Battery <sup>4</sup>	4,050 mAh (Replaceable)	
Charging	Fast Charging (15W), Pogo Charging	
IP Rating <sup>5,6</sup>	IP68, Rugged (MIL-STD-810G compliant, 1.5m Drop)
