

ProCare keeps your mobile workforce working at peak efficiency.

Downtime and inefficiency equal lost productivity. So Samsung ProCare Technical Support offers you direct access to our team of enterprise mobility experts. They'll help your IT team get the very most from your mobility investment. Whether you're troubleshooting, preparing for the next OS release or looking to use Samsung phones, tablets and wearables in new and innovative ways, Samsung is here to help.

Samsung ProCare Advantages

Unparalleled Samsung Support

No other organization can provide the level of support that we can on Samsung devices. Since we develop hardware, operating systems and enhanced mobile security solutions, as well as having a close relationship with carriers and Android developers, we have the ability to provide your IT team a unique level of assistance.

Support for a Range of Issues

Samsung can assist you with a variety of issues, including new mobile operating systems, software and security updates, synchronization challenges, device security and encryption, and certificate-based authentication.

Flexible Support Options

Choose the support option that best fits your organization. Options include Advanced (Tier-3 support), Elite (Tier-3 support with account management) and Elite Plus (advanced device exchange).

Flexible support options.

Samsung’s levels of support options are designed to meet your specific needs. Contact Samsung at samsungbusinessservices@sea.samsung.com for more information.

**Advanced Technical Support:
Mobility Expertise on Demand**

With Samsung’s commitment to the Enterprise, Tier-3 mobility experts are only a phone call away. Our goal is to have a Tier-3 engineer on the line and helping you within 90 seconds.

**Elite Technical Support:
Proactive Account Management**

Your Support Account Manager is there to serve as an extension of your team, working closely with the entire Technical Support organization to help ensure consistent management and prioritization of your critical support issues and escalations.

**Elite Plus:
NBD Advanced Exchange**

The hassle-free alternative to managing your own spare pool. Simply request an exchange on a registered device and we’ll ship you a replacement for delivery the next business day (some restrictions apply³). Devices can be exchanged because of accidental damage such as broken screens or water damage.
