# S Pen Comparison 2023

**OVERVIEW:**

- S Pen Pro is compatible to write on Galaxy Fold/S/Note/Tablet/Note PC type/series
- S Pen for Fold type and Q5 S Pen are only possible to write on Fold series but NOT support BLE function (in other words Air Action)
- In order to use the BLE function, it should connect BT between device and S Pen and the BT connection method for each device is
- > the case of note series (include S23 Ultra, S22 Ultra series) is connected by inserting the S Pen on device
- > the case of Tab series is attached the Tab S Pen on the device's dedicated position for S pen
- Tab A Series do not support S Pen

Basic Code	APS Name	Release Date	BLE Supported	Device Compatibility										Device Compatibility	North America
